Tab	CITY COUNCIL
Authority	S. 223.2(1), <i>Municipal Act</i>
Subject	CODE OF CONDUCT FOR COUNCIL & LOCAL BOARDS
Related Policies	Accountability and Transparency
Approved by	COUNCIL February 25, 2013
Review Date	Annually

POLICY STATEMENT A written Code of Conduct for Council and Local Boards (Code of Conduct) helps to ensure that the members of Council, advisory committees, and local boards of the municipality (as defined in the *Municipal Act*), share a common basis for acceptable conduct. This code is designed to provide a reference guide and a supplement to the legislative parameters within which the members must operate. These standards should serve to enhance public confidence that Guelph’s elected and appointed representatives operate from a base of integrity, justice and courtesy. The key principles that underline the Code of Conduct are as follows:

- all members shall serve and be seen to serve their constituents in a conscientious and diligent manner;
- members should be committed to performing their functions with integrity and to avoiding the improper use of the influence of their office, and conflicts of interest, both real and apparent;
- members are expected to perform their duties in office in a manner that promotes public confidence and will bear close public scrutiny;
- members shall seek to serve the public interest by upholding both the letter and the spirit of the laws and policies established by the Federal Parliament, Ontario Legislature, and the City Council.

PURPOSE Municipal Council Members hold positions of privilege. Therefore, they must discharge their duties in a manner that recognizes a fundamental commitment to the well being of the community and regard for the integrity of the Corporation. The purpose of the Code of Conduct is to:

- Protect the public interest.

- Encourage high ethical standards among members of Guelph City Council and local boards.
- Provide a universal understanding of the fundamental rights, privileges, and obligations of members of Guelph City Council and local boards.
- Provide a means for members of Guelph City Council and local boards to obtain information on some contemplated conduct in circumstances where they are uncertain as to the ethical appropriateness of that conduct.

CURRENT AND
PROSPECTIVE
EMPLOYMENT

No member shall allow the prospect of his / her future employment by a person or entity to detrimentally affect the performance of his / her duties to the City.

BUSINESS
RELATIONS

No member shall act as a paid agent before Council, its committees, or an agency, board or commission of the City. A member shall not refer a third party to a person, partnership, or corporation in exchange for payment or other personal benefit.

CONDUCT

As a representative of the City, every Member has the duty and responsibility to treat members of the public, one another and staff appropriately and without abuse, bullying or intimidation, and to ensure that the municipal work environment is free from discrimination and harassment. A member shall not use indecent, abusive, or insulting words or expressions toward any other Member any member of staff or any member of the public. A Member shall not speak in a manner that is discriminatory to any individual based on that person's race ancestry, place of origin, creed, gender, sexual orientation, age colour, marital status or disability.

INFLUENCE ON
STAFF

Only Council as a whole has the authority to approve budget, policy, committee processes and other such matters. Members shall be respectful of the fact that staff work for the City as a body corporate and are charged with making

recommendations that reflect their professional expertise and corporate perspective, without undue influence from any individual member or group of members. Accordingly, no member shall maliciously or falsely injure the professional or ethical reputation, or the prospects or practice of staff, and all members shall show respect for the professional capacities of the staff of the City.

Council directs the business of the City and passes by-laws, or resolutions as appropriate, for decisions adopted by Council. Council has delegated responsibility to the Chief Administrative Officer (CAO) for the administration of the affairs of the City in accordance with decisions adopted by Council. This means that under the direction of the CAO, staff have the responsibility and the authority to provide consultation, advice and direction to Council and to implement Council approved policy. Accordingly, staff establish the appropriate administrative policies, systems, structures and internal controls to implement the goals and objectives of Council, and manage implementation within the resources at their disposal. The Council should expect a high quality of advice from staff based on political neutrality and objectivity irrespective of party politics, the loyalties of persons in power, or their personal opinions. No member shall compel any staff member to engage in activities that are contrary to the directions of Council or the policies of the municipality.

No member shall compel staff to engage in partisan political activities or be subjected to threats or discrimination for refusing to engage in such activities. Nor shall any member use, or attempt to use, their authority or influence for the purpose of intimidating, threatening, coercing, commanding, or influencing any staff member with the intent of interfering with that person's duties, including the duty to disclose improper activity.

**IMPROPER USE OF
INFLUENCE**

No member of Council shall use the influence of her or his office for any purpose other than for the exercise of her or his official duties.

Examples of prohibited conduct are the use of one's status as a member of Council to improperly influence the decision of another person to the private advantage of oneself, or one's immediate relatives, staff members, friends, or associates, business or otherwise. This would include attempts to secure preferential treatment beyond activities in which members normally engage on behalf of their constituents as part of their official duties. Also prohibited is the holding out of the

prospect or promise of future advantage through a member's supposed influence within Council in return for present actions or inaction.

For the purposes of this provision:

"private advantage" does not include a matter:

- that is of general application;
- that affects a member of Council, his / her immediate relatives, staff members, friends, or associates, business or otherwise as one of a broad class of persons; or
- that concerns the remuneration or benefits of a member of Council.

Members should not advocate on behalf of any person at a hearing of an adjudicative board (as listed on the City's website) and should not contact any member of such a board regarding any application before it.
