**Guelph Appreciates
Local Business**

The Grow Guelph
BR+E program aims
to create a strong local
economy where businesses
can grow and prosper!

BR+E is a widely successful and proven economic model throughout North America.

Grow Guelph BR+E program goals:

- Gain insight on the local economy and businesses
- Build relationships with businesses in the community
- Overcome barriers to business growth
- Reward and champion local business success
- Develop local strategies that help companies succeed

What Grow Guelph BR+E has to offer:

- Business visitations and needs assessment
- Business development and marketing support
- Industry information and networking events
- Business facilitation and assistance
- Connections to industry opportunities and programs
- Business start-up and entrepreneurial assistance
- Business awards and recognition
