

Getting Started with MagnusCards

1. Find and tap on the app store on your device.

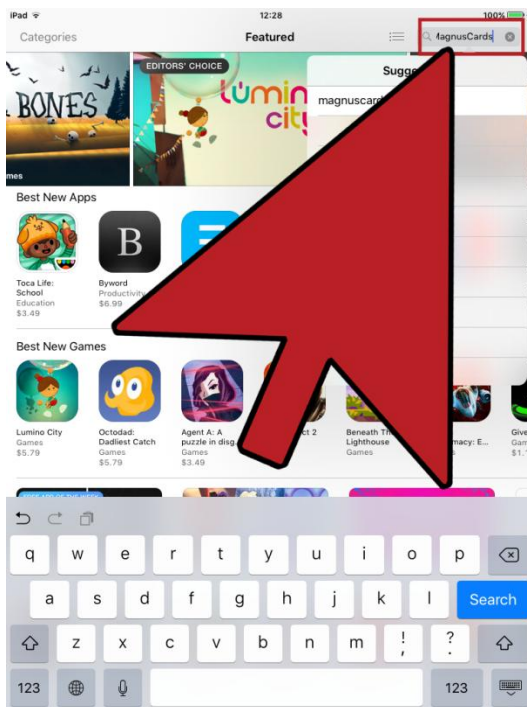

If you have an iPhone or iPad, it will look like this.

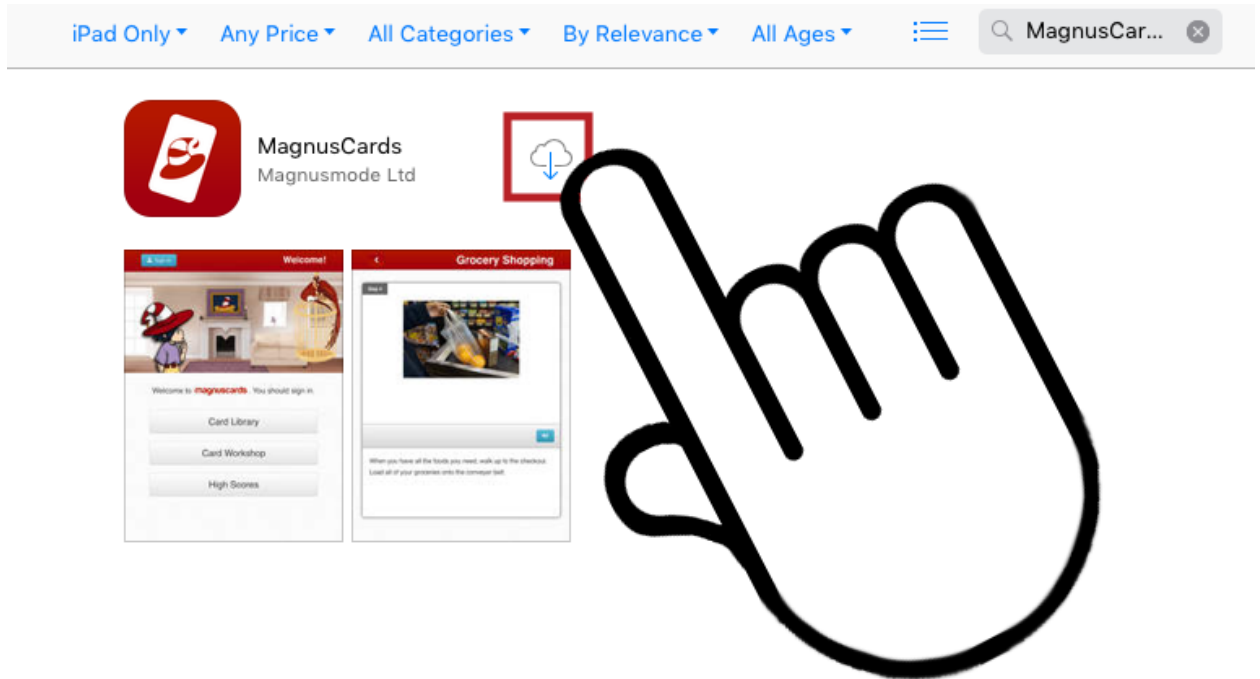

If you have an Android device, it will look like this.

2. Search the store for MagnusCards.

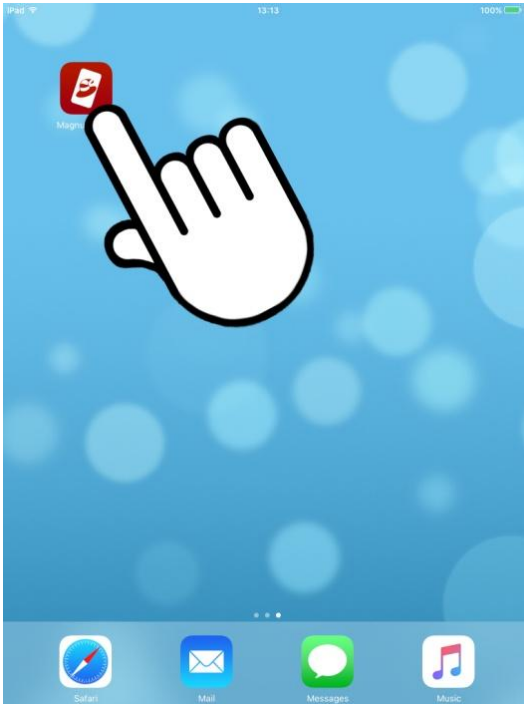

3. Tap the download button. If you are asked for your password, please type it in.

4. Find the MagnusCards app on your device.

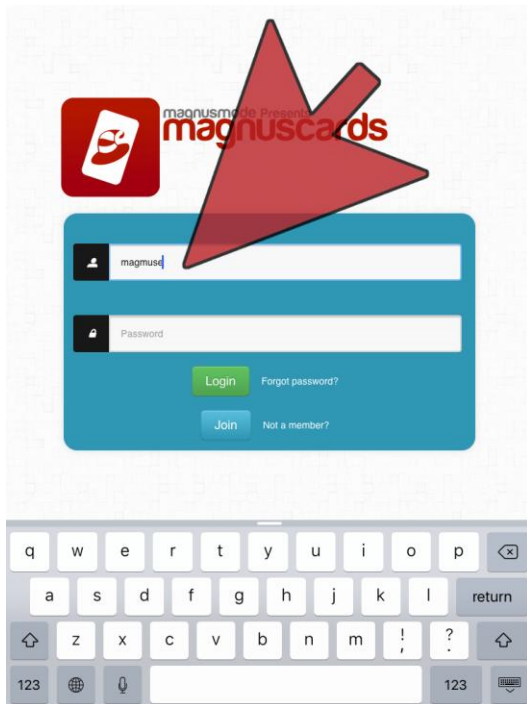

5. Tap on the app to open it. Follow through the instructions that appear on the screen. You will have to tap and swipe to finish the on-screen instructions.

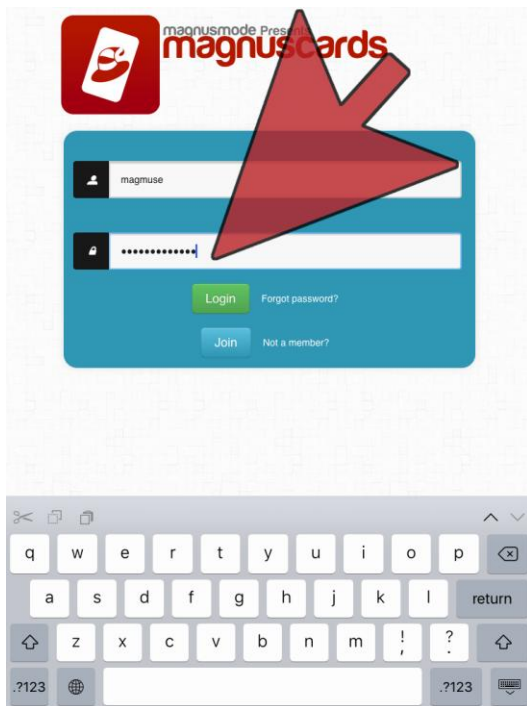

6. Tap the blue Sign In button in the top left-hand corner.

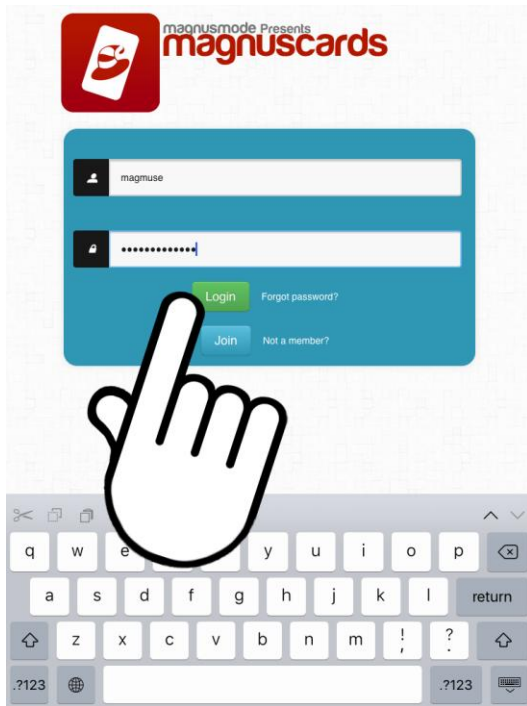

7. Type your username in the top white box.

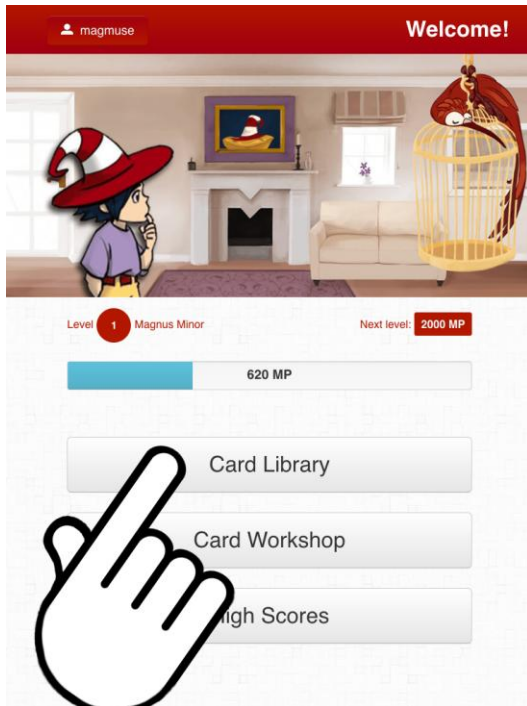

8. Type your password in the bottom white box.

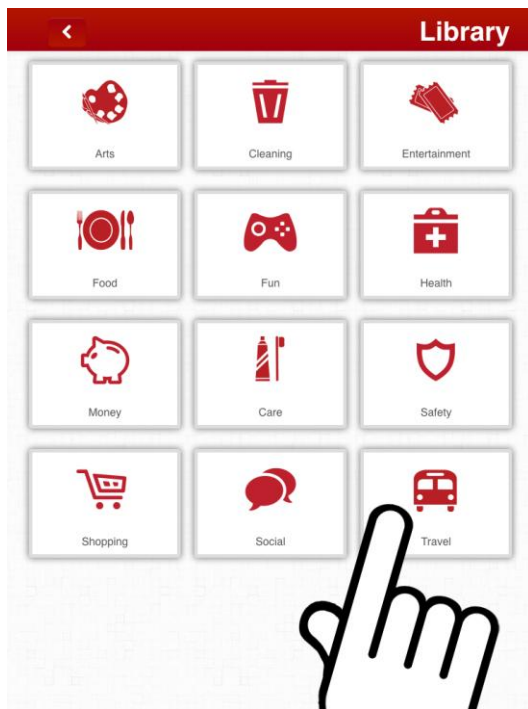

9. Tap the green Login button.

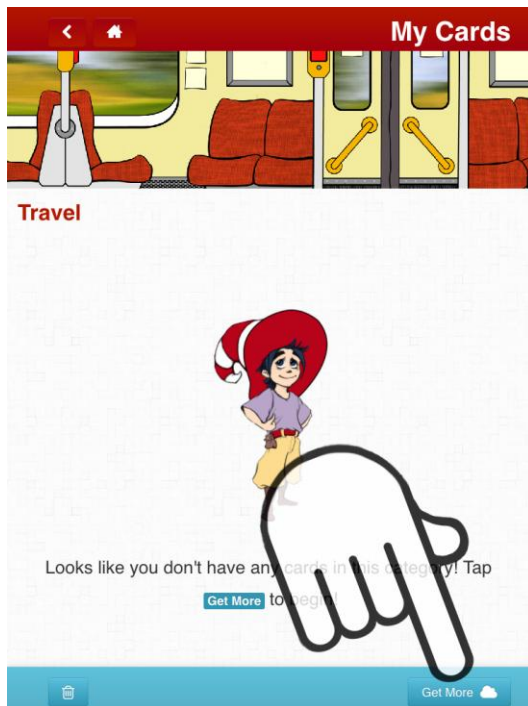

10. You will come back to the home screen. Tap on the “Card Library” button.

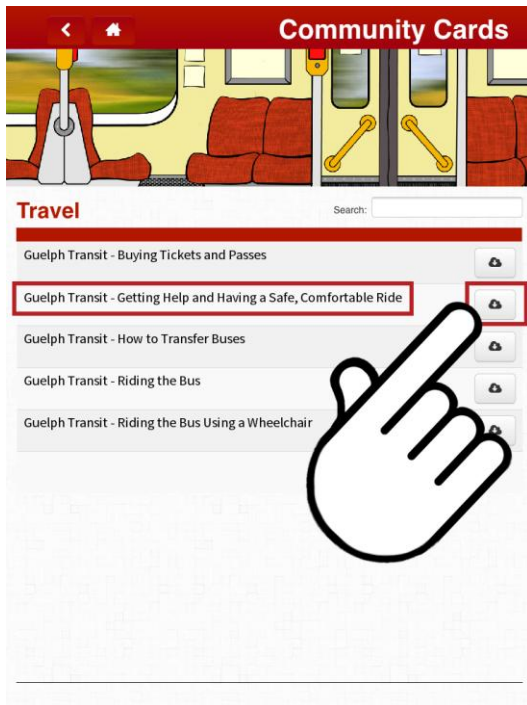

11. Tap the Travel category. It is the last category in the bottom, right-hand corner.

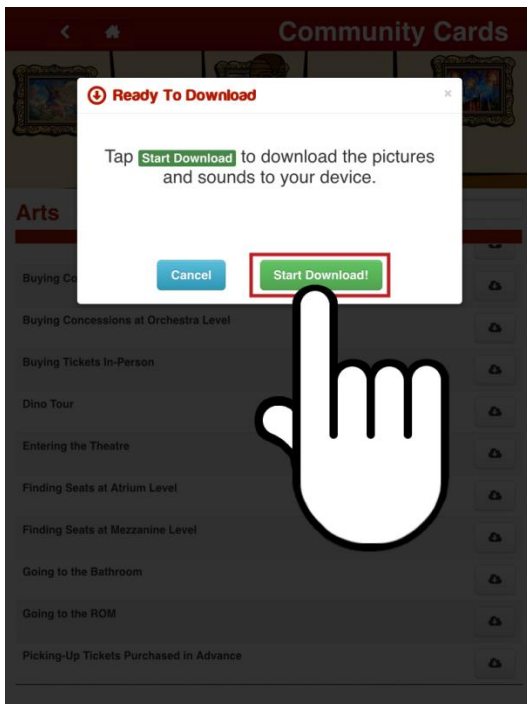

12. Tap the Get More button in the bottom right-hand corner.

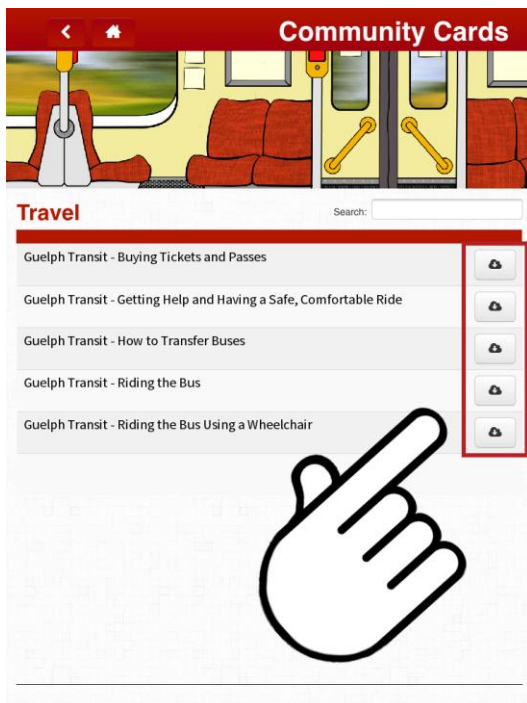

**Find the Guelph Transit Card Decks in the list. The list is in alphabetical order.
Tap the cloud with the download arrow next to the Card Deck's name.**

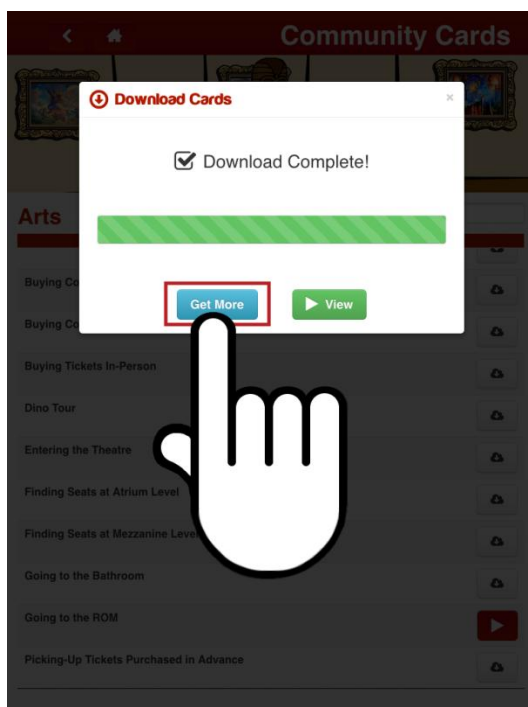

13. Tap the green Start Download! button. When the bar turns green and you see “Download Complete,” tap the blue Get More button.

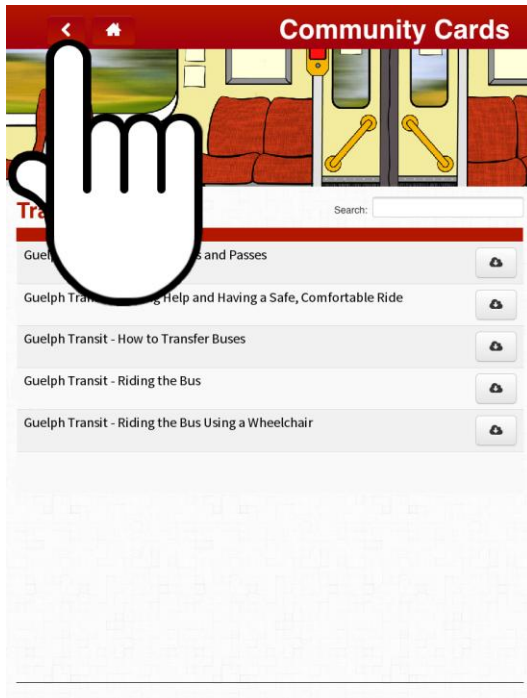

14. Find any of the other Card Decks that you would like. Tap the cloud with the download arrow on each one.

15. When the bar turns green and you see “Download Complete,” tap the blue Get More button.

16. Tap the back arrow in the top left hand corner.

17. Tap the white arrow in the red square to view one of the Card Decks.
Tapping this icon is how you can view Card Decks. Once you've finished one Card Deck, you may tap this icon to view the next Card Deck.
