

Residential Sub-Water Meter Rebate Program Application Form

Add-on Sub-metering

Increase your chances of saving money and water with residential sub-metering!

Sub-metering a facility's water use provides individual users, landlords, property managers and condominium boards with a lot of insight on water using habits and water waste, which can ultimately translate to savings.

Add-on sub-meters with smart technology strap on or attach to plumbing or metering infrastructure and are removable. Individual living units and building processes can be sub-metered through the use of add-on sub-meters. With advanced smart metering technology they provide immediate notification of potential water leaks. One rebate per municipal meter per building is available for the installation of add-on sub-meter(s) with smart technology. Subject to available funding, The City of Guelph will rebate \$100 per meter for add-on sub-meters with smart technology based on the City of Guelph's meter qualification criteria.

The following qualifications must be met to receive a rebate:

- Your building is residential: rental apartment building, condominium, or single-family home; and
- Your building is located within the City of Guelph city limits and holds an active Guelph Hydro/Water account; and
- You must submit the completed application form.

Note: Prior to participation in this program a building (rental apartment buildings and condominiums) must have received an audit through the City of Guelph's Multi Residential Water Audit program if that building has 7 suites or more **and** if its average water demand is more than 150 cubic metres (m³) per suite per year. For information about your building's water demand contact the City of Guelph Water Services at waterservices@guelph.ca or call 519-837-5627.

Notice of collection

The personal information on this form is collected pursuant to the Municipal Act, 2001 and in accordance with the Municipal Freedom of Information and Protection of Privacy Act. This information will be used for the purposes of administration of the City of Guelph rebate programs. Questions regarding this collection should be directed to the City of Guelph Access, Privacy and Records Specialist, City Hall, 1 Carden Street, Guelph, Ontario N1H 3A1 at 519-822-1260 extension 2349.

How the process works

Complete this application form, attach proof of purchase and mail or email to:

City Hall

Attention: Residential Sub-Water Meter Rebate Program

1 Carden Street, Guelph, Ontario N1H 3A1

submeter@guelph.ca

A store receipt is acceptable proof of purchase documentation. After the city receives your application and proof of purchase the rebate amount will be redeemed to your water account in four to six weeks. Missing information will delay your rebate.

For more information visit guelph.ca/ourstoconserve or call 519-822-1260 extension 2633

If you have questions or require this application to be provided in an alternate format per the Accessibility for Ontarians with Disabilities Act, 2005, please call 519-822-1260 extension 2633.
