WFOA - 100 % Producer Responsibility

Transition timeline for the Blue Box Program Plan Transition

Wind-up Plan and Regulation Developed

Advocating 2019-2020

- Continue to support pick up at the curb
- Transitioning municipal assets
- Support standardization of the Blue Box materials
- Additions to eligible sources specifically multi-residential and public spaces
- Effective diversion targets to support a circular economy and reduce burden on municipalities

Producers engage municipalities

Advocating 2021-2022

- Ensuring service delivery and customer service to the community are at the forefront
 - 2019 Citizen Satisfaction Survey – Solid Waste Services 93% satisfied
- Maintaining or enhancing environmental performance through the transition process
- Adequately valuing and managing stranded assets, services
- Ensure maximum value for the taxpayers of Guelph

How will the WFOA impact Guelph?

Eligible Sources

Guelph collects Blue Box	Eligible Source under WFOA
Residential curbside	Yes
Multi-residential	Currently contemplated to be an eligible source but still needs further clarification
Downtown businesses	No
Residential above a business	Still needs to be clarified
Parks and Open Spaces	No

Eligible sources for collections will be clarified in the regulation – draft expected in late 2020
