### Terms and conditions for participating

*By signing this form, the business or organization is committing to receiving the products indicated and reusing, recycling or safely disposing of them. The undersigned also recognize that the business or organization and not the City of Guelph is responsible for handling the products that are collected. In return, it is understood that the City of Guelph will identify the company/organization as a Take it Back participant. The City of Guelph is not responsible for and cannot be held liable for any damages, direct or indirect, arising from use of any information in the Take it Back directory. All dealings between residents and businesses/organizations related to the return of any items are solely the responsibility of the resident and the business or organization. You reserve the right to be unlisted from the directory at any time.*
