MESSAGE FROM THE CEO

The Guelph Chamber is thrilled to once again produce the Grow Guelph Business Directory, our community's business roadmap, in partnership with Invest in Guelph.

As an organization who has served the business community for 193 years, the Guelph Chamber is committed to continuing to advance and prioritize business needs. We advocate at all levels of government on behalf of our members, provide key connections that allow our members to further enhance their networks, and convene collaborative and solution-generating conversations through programs and networking events. We're thrilled to be the voice of business that continues to drive local economic prosperity.

Throughout the next pages, you'll see innovative and cutting-edge businesses who are leaders in local, national and international ventures. We're proud to showcase our members with a blue acorn symbol.

Our members are demonstrating excellence, diversity, the power of partnerships and integrity on a daily basis. Inspired by businesses of all types and sizes within our membership, we incorporated these four pillars as our core values in our new Strategic Plan which will guide the organization over the next few years.

Thank you to our partners, advertisers and our vendors who have helped to make our community's business roadmap a success. Thank you to our members for continuing to demonstrate excellence and showing your commitment to the Guelph Chamber.

We look forward to continuing to serve the business community through advocating, connecting and convening.

*Shakiba Shayani
President & CEO Guelph Chamber*
