Application Details:

Applications for Official Plan and Zoning By-law Amendments have been received for the subject lands from Astrid J. Clos Planning Consultants on behalf of the owners, Yanliang Li, Guan Si Dan International Canada Inc. and Danqi Li, to permit the development of two, 6-storey apartment buildings with a total of 134 units and 22, 3-storey on-street townhouse units.

The purpose of the Official Plan amendment is to add a site-specific Official Plan policy to the "Medium Density Residential" land use designation that would permit a maximum net density of 176 units per hectare.

The purpose of the Zoning By-law Amendment application is to change the zoning from the "Residential Single Detached" (R.1B) Zone to a "Specialized On-Street Townhouse" (R.3B-?) Zone and to a "Specialized High Density Apartment" (R.4B-?) Zone to implement the proposed development. Details on the site-specific zoning regulations requested can be found in the supporting documents submitted with these applications.

The proposed conceptual site plan is included in Schedule 1.
