

COMMITTEE OF ADJUSTMENT APPLICATION FOR MINOR VARIANCE SUBMISSION CHECKLIST

This is your application – please make sure that you know the exact details of why you are applying. It is your responsibility to provide a complete and accurate application. Staff are not permitted to complete the form for you. Failure to provide all of the information included below may result in a deferral of your application.

A complete minor variance application package requires the submission of:

- a completed application form;
- the required fee; and
- sketch(es) (drawings) of the subject property.

BEFORE YOU SUBMIT:

If you are unsure what variance(s) are required for your application, complete and submit the Preliminary Zoning Review form to identify the type and extent of variance(s) required. This form is available online at www.guelph.ca or City Hall and can be submitted online or in person to Zoning Services (3rd floor of City Hall) or emailed to zoning@guelph.ca. It is highly recommended that a zoning review and pre-consultation be completed prior to submitting your application to the Committee of Adjustment. Failure to do so may result in your application being deferred, denied or deemed incomplete.

FEE: (cash, debit, credit or cheque payable to the City of Guelph)

- \$826.00 for single, semi-detached or on-street townhouse unit
- \$989.00 for other uses

Should the lands be within an area of interest to the Grand River Conservation Authority (GRCA), a further fee may be required for GRCA comments. Any municipal agreement required as a condition of minor variance approval will be subject to a fee of \$397.00 plus HST and applicable search and registration costs.

APPLICATION:

- One (1) original copy of the completed application form is required.
- The nature and extent of relief applied for (on page 2 of application form) must include the applicable sections of the City of Guelph Zoning By-law.
- Written authorization by the owner(s) is required if the application is signed by an agent or solicitor on the owner's behalf. If the applicant is a corporation acting without an agent the application must be signed by an officer that has the authority to bind the corporation.
- 2 copies of the sketch are required:
 - 1 full size copy (maximum size of 11 inches x 17 inches) **drawn to scale**
 - 1 copy reduced to legal size (8.5 inches x 14 inches)
 - In some cases, it may be preferable that this sketch be prepared by a qualified professional
 - The sketch must contain **all** the information noted below

- All measurements must be shown in **metric** (metres) and **drawn to scale**.

COMMITTEE OF ADJUSTMENT APPLICATION FOR MINOR VARIANCE SUBMISSION CHECKLIST

Note:

- **All application forms must be submitted in person by scheduling a time to meet with Committee of Adjustment staff.** This will allow the application to be reviewed with staff to identify any possible issues or further information required; therefore avoiding unnecessary delays during processing. Contact information for staff is listed at the bottom of this page.
- An application will not be accepted as complete unless all legislated requirements have been met, and will not be processed until all necessary information has been received.
- Please read the Committee of Adjustment brochure which outlines the process, hearing dates, and application deadlines. This brochure is available online at www.guelph.ca or at City Hall. Submission deadlines are subject to change at the discretion of the Secretary-Treasurer. Applications will not be added to the next agenda until they are determined complete.
- Depending on the volume of applications received, submitting an application on or before the application deadline does not guarantee the application will be heard at the next hearing. Applicants are encouraged to submit applications prior to the last submission day and to confirm a hearing date with the Secretary-Treasurer.
- In addition to the submission requirements found on the application form, the applicant should provide all the planning evidence necessary in support of the request being made. **This will assist the Committee in making an informed decision regarding your application.** Depending on the nature of the application, this evidence may be in the form of:
 - photographs showing the existing streetscapes;
 - contextual plans (in context with adjacent structures); and
 - historical information and/or detailed location plans (windows, openings, accessory structures) of the abutting properties.
- **The Committee of Adjustment application process is a public process.** Applications will be circulated to public agencies for comment. Notice of the hearing will be circulated to neighbouring property owners and a sign will be posted on the subject property. All parties are given the opportunity to provide written comment or attend the hearing, either in support or opposition of the application, or to appeal a subsequent decision of the Committee of Adjustment. The comments and opinions submitted on an application, including the name and address on the submission, become part of the public record and may be viewed by the general public.
- The owner, applicant, or authorized agent **must** attend the public hearing. It is in the applicant's best interest to ensure they are represented at the hearing. Failure to attend could result in the Committee of Adjustment making a decision in your absence or deferring your application. A deferral fee of \$258.00 will apply to deferred applications or applications requiring re-circulation for failure to attend the hearing.
