An officer of the Union will be given a maximum of thirty (30) minutes during working hours to orient the new employee(s) regarding the benefits and duties of Union membership.

- a) It is the mutual desire of the parties to this Agreement to attempt to settle complaints of employees as quickly as possible. A grievance shall be defined as any difference arising out of the interpretation, application, administration or alleged violation of the Collective Agreement. accompanied by their steward and an additional department manager **or designate** to discuss the grievance. **A written reply to the grievance will be sent to the President, Vice-President, Steward and employee within five (5) days following the meeting.** Failing settlement at this step, Step 2 may be invoked.

Step 2

Within five (5) days of receipt of the response in Step 1, the Union shall notify the Human Resources Advisor of their intent to proceed to Step 2 Within five (5) working days of receipt of notice by the Union, a meeting shall be held with **up to three (3) members of the Union**, the grievor, the Supervisor/**designate**, and **up to two (2) representatives of management**.

(a) The City shall give its decision **in writing to the President, Vice-President and Steward** within five (5) working days of the meeting. Failing settlement at this stage, the Union may, but only within a period of fifteen (15) working days from the date of the receipt of the **City's** reply, invoke the arbitration provision of this Agreement.

(b) Any grievance of a notice of lay-off or lay-off shall be filed with the Human Resources Department and shall be heard in a meeting at Step 2 of the grievance procedure.

Optional Meeting

Following receipt of the decision of the **City** at Step 2, the Union and the City may mutually agree to convene a consultation meeting of the grievor, the Union President or Vice President or designate, and Union assigned Steward with **Human Resources** and the supervisor **or designate** as soon as possible. The purpose of the meeting is to expedite and resolve the grievance. In the event this meeting is convened, the time limits for proceeding will be extended to accommodate this consultation meeting. This meeting is optional, not mandatory, and requires the mutual agreement of the parties.

12:03 Discipline, Suspension, Discharge

(a) An employee shall be accompanied by a Union representative at all meetings where disciplinary matters are investigated or meetings where discipline is administered.

(b) For meetings where documented verbal warnings or written warnings are discussed or administered, the employee shall be accompanied by a Union Steward (or a Union Executive).

(d) For meetings where discharge is investigated or administered, the employee shall be accompanied by the Union President and either the Vice-President an assigned Steward.

(e) The Employer shall commence an investigative process with an employee upon receipt of an expression of dissatisfaction concerning their work performance within ten (10) working days of the event resulting in the complaint or within ten (10) working days from the date of receipt of a written

complaint or e-mail, including members of the Public. The Union will be provided a copy of the written complaint, if one exists.

(f) If this procedure is not followed, such expression of dissatisfaction shall not become part of their record.

(g) No employee shall be transferred out of his current position or shift for disciplinary reasons.

(h) When a permanent employee has been suspended or discharged, they shall have the right to meet with **their Union representatives** for up to thirty (30) minutes during normal working hours, following the disciplinary meeting.

(i) Notice of the suspension or discharge shall be presented in person or if this is not possible, shall be sent to the employee's last known address. **A copy will be provided to the Union President.**

12:04 Extension to Time Limits

The time limits outlined **in this article** may be extended by mutual agreement of the parties, in writing. Extensions to the timelines could be requested by e-mail by either party. If time limits are not met in the grievance procedure, either party may advance the grievance to the next step.

12:05 Policy Grievance

A policy grievance arising between the Union and the Employer over the interpretation, application or alleged violation of the Collective Agreement shall be commenced at Step 2 within fifteen (15) working days of the alleged violation of the Collective Agreement.

12:06 Grievance Mediation

Following the receipt of the **written** response from the **City** at Step 2 the parties may, by mutual agreement, request the services of a grievance mediator in attempting to resolve a grievance prior to arbitration. The costs of any such grievance mediator shall be shared equally by the parties. **In the event a grievance is forwarded to mediation, the parties agree to meet within (90) days, subject to the mediator's availability.**

12:07 Employee's Record

No disciplinary document shall be placed on the employee's file that has not first been shown and a copy given to the employee. An employee shall have the right to have access to, make copies and review his/her personnel file and shall have the right to respond in writing to any document, which the employee has not received, and such reply shall become part of the record. The employee, or his Union representative, shall have the right to request and receive copies of all discipline and work performance documents in the employee's personnel file where the employee has been disciplined for any reason. Any employee wishing to view his/her own personnel file shall make arrangements to do so with the Human Resources Department at least twenty-four (24) hours in advance.

A disciplinary letter or document shall not be used by the City after two (2) years from the date of

issue.

ARTICLE 13:00 ARBITRATION

- 13:01 It is agreed by the parties hereto that any differences of opinion relating to the interpretation, application or administration of the Agreement which cannot be settled after exhausting Grievance Procedure shall be settled by arbitration as defined in Section 48, of the Labour Relations Act.
- 13:02 Powers of Arbitrator
- The arbitrator shall not be authorized to make any decision inconsistent with the provisions of the Agreement.
- 13:03 Both parties to this Agreement hereby undertake to expedite all steps of the Arbitration Procedure when it is in their power to do so.
- 13:04 As an alternative to using a sole arbitrator, the parties may mutually agree to submit a grievance to a Board of Arbitration as set out in Articles 12 and 13.

ARTICLE 14:00 MANAGEMENT GRIEVANCES

- 14:01 It is understood that the City may bring forward at any meeting with the Grievance Committee any complaints or grievances, provided such grievances are in writing and filed with the Union within five (5) working days of the alleged grievances, and if such complaint or grievance is not settled to the mutual satisfaction of the conferring parties, they may be referred to arbitration as set out in this Agreement.

ARTICLE 15:00 NO STRIKES OR LOCKOUTS

- 15:01 In view of the orderly procedure established herein for the disposition of employee's complaints and grievances, the City agrees that it will cause or direct no lockouts of its employees for the duration of this Agreement and the Union agrees that there will be no strikes or other collective action which will stop or interfere with the services of the City for the duration of this Agreement.

ARTICLE 16:00 SENIORITY

- 16:01 (a) Fundamentally the rules herein respecting seniority are designed to give employees an equitable measure of security based on the employee's length of continuous service in the bargaining unit. Seniority shall be defined as the length of continuous service in the bargaining unit. Seniority shall operate on a bargaining unit basis, and as set out in Articles 18:02 and 18:03.
- (b) Continuous Service
- Continuous service shall mean service that is not broken by an interval of more than three (3) working days without written permission from the employee's supervisor.
- 16:02 Seniority Applied to Promotions and Transfers
- Promotions and transfers to jobs with lower, equal or higher rates of pay shall be within the bargaining unit and will be based on the skill, experience, qualifications and the ability to perform work in accordance with Article 17:04.

The Secretary of the Local will be advised as to pending transfers or promotions. This clause shall not be applied in a manner inconsistent with the provisions of this Agreement.

16:03 Seniority Applied to Layoffs and Recalls

(a) No employee shall be given notice of layoff until they have been offered all temporary, seasonal and summer student employment.

(b) Layoff of employees shall be made on the basis of the seniority list (unit wide), provided that the employees who are entitled to remain on the basis of seniority are willing and qualified to do the work, which is available. When recalling employees who have been laid off, the recall will also be made on the basis of seniority and qualifications.

16:04 Bumping Procedure

(a) All employees shall receive written notification prior to being laid off. The Union representative and each employee shall be given sufficient time during working hours to discuss the options available to the employee under this article prior to the expiry of the five (5) working days, as set out in (d) below.

(b) Provided there are no internal applicants, prior to commencing the bumping procedure, an employee being laid off may choose an open position in the same or lower classification, if the employee is qualified to perform the work. Should the affected employee elect this option, the parties agree that the placement into a vacancy represents an election to bump.

(c) If no open position exists, an employee may bump any employee below them in seniority of the same or lower classification provided that the employee bumping is qualified to perform the work.

(d) When exercising their right to bump, the employee must notify the Client Services Manager or their designate, within five (5) working days after receiving the lay-off notification of their intentions in writing, noting the position, person and department they wish to bump.

(e) An employee being laid off may bump any position below them in seniority provided that the employee bumping has the skill and qualification and shows to the satisfaction of the supervisor that they can do the work, which is available. For an employee bumping into a higher classification (bumping up) experience in the work which is available, must have been gained within the bargaining unit as a result of previously working permanently in the position or as a result of successfully obtaining a job posting (including temporary/seasonal postings). An employee who has filled in on a temporary basis shall not be considered experienced in the said work.

(f) For an employee bumping into a position with more than one (1) employee, the employee shall bump the least senior employee in that position.

(g) An employee who is exercising their bumping rights or who is being bumped, at the time of notice of lay-off and occupies a dual posting position, shall be considered to occupy a higher rated classification for bumping purposes, regardless of whether they were actually performing work in that classification at the time of lay-off.

(h) An interview will be arranged between the employee exercising their seniority rights, the

General Manager of the Department or their designate, the General Manager of Human Resources or their designate and the Union, acting as an advisor to the rights of the said employee involved, as soon as possible.

(i) If the employee is granted the bump, they will be on trial for thirty (30) working days. Immediately on assuming the new position, the employee has up to ten (10) working days to determine if the position is suitable to them. If the employee decides the position is not suitable, they have the right to exercise their seniority rights one more time. If the second opportunity is unacceptable to the employee, the employee must assume the lay-off and are not eligible to bump again.

(j) If the employee is not granted the position through the bump, they then have the right to continue the bumping procedure.

(k) If, for whatever reason, the employee does not work out satisfactorily in the thirty (30) day trial period, then they must assume the lay-off and are not eligible to bump again.

(l) New employees shall not be hired until those laid off have been given an opportunity of recall.

(m) A permanent lay-off is defined as a lay-off designed to permanently reduce the work force or a lay-off that exceeds or is intended to exceed four (4) months duration. A temporary lay-off is defined as a lay-off that does not exceed four (4) months.

16:05 Loss of Seniority

Seniority rights and an employee's employment shall be terminated if:

(a) the employee leaves of their own accord;

(b) the employee is discharged for cause, which is not reversed through the grievance procedure;

(c) the employee is absent for three (3) or more consecutive working days without permission or without providing an acceptable explanation on their return;

(d) the employee has been laid off continuously for a period of thirty-six (36) months or for a period of time equal to the employee's seniority, whichever is the lesser;

(e) the employee has been laid off and failed to return within five (5) working days after notification to do so has been sent to him by registered mail to the last address on record with the City.

16:06 Seniority List

A Seniority List will be established by occupational classification for all employees covered by this Agreement who have completed their probationary period based upon each employee's last date of hiring. It is agreed that such seniority list shall be revised and posted on all boards by January 15th and June 15th of each year and a copy filed with the Secretary of the Union. This list will include the name of the employee, their classification and the respective date of hire and will be considered as correct if not questioned within ten (10) days of posting.

16:07 Length of Service

Except as provided in Articles 18:02 and 18:03, an employee who is not a member of the bargaining unit, has service with the City and is promoted or transferred into a bargaining unit position shall carry any vacation entitlement and service credits with them. Seniority shall commence on the date of entry into the bargaining unit. 17:03 Outside Advertising

No outside advertisement or interviews for any vacancy within the bargaining unit shall be placed until the applications of permanent employees available from within the bargaining unit have been fully processed. The City shall interview up to three (3) internal applicants, who are deemed to have some suitability, as described above.

This Article will not apply to job classifications that are regulatory or legislated.

If an applicant as described above is deemed to require additional time, the trial period, as per 17:05, may be extended from a forty-five (45) working day trial period to a trial period of up to but not exceeding one hundred and twenty (120) working days. The employee's accumulated seniority within the bargaining unit would be retained at the time of the transfer but they would not accumulate seniority, while in the non-union position. When they return to their union position the employee would have their seniority at the time of the transfer and begin to accumulate seniority again. For clarity, individuals who transfer into non-union positions will not accumulate seniority while in the non-union position and as a result, their ranking on the seniority list may change.

Notwithstanding the single occasion limitation of **eighteen (18)** months in a thirty-six (36) month period, the single occasion limitation will be waived to address short-term assignments provided the total aggregate days per individual in such assignments does not exceed **thirty (30)** working days.

The Corporation shall provide the Union with official notice of transfer, which shall include the start date and estimated date of return to the bargaining unit.

The employee or the Corporation could, upon giving two (2) weeks written notice, terminate the assignment and the employee would return to their pre-assignment union position.

They will be entitled to the benefit plans of the bargaining unit to which they belong, effective on the first date of the month following the date of transfer. They shall be on a trial period of up to forty (40) days worked, with the Corporation reserving the right to confirm the transfer after a lesser period if their services are satisfactory. If in a period of up to forty (40) days worked their services are not satisfactory, they shall be returned to their former position, and any other employee who has been removed or transferred because of this rearrangement shall be returned to their former position at their previous wage rate and without loss of seniority.

18:03 **Temporary** Transfers between Locals

Temporary transfers between CUPE Local 241 and CUPE Local 973 or CUPE Local 1946 shall be for a period not to exceed six (6) months. An employee so transferred shall not lose any seniority or benefits and shall continue to accumulate seniority and receive the benefits of the collective agreement of the Local from which they were transferred.
