## By-law Number (1993)-14362 (Office Consolidation) [Amended by By-laws (1994)-14680; (1998)-15878; (1999)-16207; (2013)-19578; (2025)-21073]

A by-law to regulate the display, sale and setting off of fireworks and to adopt Municipal Code Number 121, and to repeal By-law Number (1992)-14097.

Pursuant to the provisions of Sections 210 paragraph 37 and 210 paragraph 38 of The Municipal Act, R.S.O. 1990, Chapter M.45, which permit municipal councils to pass by-laws for regulating the sale and setting off of fireworks,

### The Council of the Corporation of the City of Guelph enacts as follows:

#### 1. Interpretation

In this By-law the following terms shall have the corresponding meanings:

- (a) "**Display Unit**" means a bin, crate, box, case or other device used to display fireworks to the public;
- (b) "**Fireworks**" means any and all classes of fireworks, including and without limiting the generality of the foregoing the following clauses which are included in the Federal Explosives Regulation, Department of Energy, Mines and Resources:
  - (i) "**Low-hazard**" fireworks for recreation such as firework showers, fountains, golden rain, lawn lights, pin wheels, Roman candles, volcanoes and sparklers;
  - (ii) "**High-hazard**" fireworks for recreation such as rockets, serpents, shells, bombshells, tourbillions, maroons, large wheels, bouquets, barrages, bombardos, waterfalls, fountains, mines and firecrackers (also known as "display fireworks").
- (c) "**Fireworks vendor**" means any person, organization or company that sells, displays or offers for sale fireworks, and includes temporary vendors;
- (d) "**Person**" includes a corporation;
- (e) "**Site**" means any area within the City of Guelph on which fireworks are displayed, sold or offered for sale;
- (f) "**Site Plan**" means a drawing of a site which includes all applicable measurements of every vending structure and the surrounding area within 100 metres of the site and on which all buildings and structures, streets or other landmarks are indicated;
- (g) "**Temporary Vendor**" means any person, organization or company that sells, displays or offers for sale fireworks in or from a vending structure;
- (h) "**Vending Structure**" means any vehicle, roadside stand or temporary structure, tent or air-supported structure or other conveyance in or from which fireworks are displayed, sold or offered for sale.

#### 2. When Sales Permitted [amended by By-law (2025)-21073]

No person shall display, offer for sale or sell fireworks, or any class or classes thereof, except on the days being observed as Victoria Day, Canada Day, and Diwali and for seven (7) days prior to the days being observed as Victoria Day, Canada Day, and Diwali.

#### 3. Sales

No person shall display, offer for sale or sell fireworks unless the person is in compliance with all applicable provisions of this By-law.

#### 4. Posting of By-law and Supplementary Information [amended by By-law (2025)-21073]

- (a) Every fireworks vendor shall ensure that a copy of this By-law is posted on the site in a conspicuous place visible to the public.
- (b) Every fireworks vendor must display and make available to purchasers and prospective purchasers of fireworks any information, brochures, guidelines and instructions supplied by a fireworks manufacturer, or the City, outlining the safe storage, handling and discharge of fireworks.

#### **5. Sale to Minors Prohibited**

- (a) No person shall sell fireworks to any person under the age of eighteen (18) years.
- (b) No person shall sell fireworks to any person without a sign being present on the site and clearly visible to the public, in each display unit, stating that sales to persons under eighteen (18) years of age are prohibited.

#### **6. Storage and Display of Fireworks**

- (a) When fireworks are displayed for sale within any building, the fireworks vendor shall ensure that no lot, bin or bundle of fireworks shall exceed a weight of 25 kilograms and no fireworks shall be exposed to direct sunlight.
- (b) Where the total stock of fireworks on a site exceeds a weight of 1,000 kilograms, the fireworks vendor shall require a licence from the Explosives Division, Department of Energy, Mines and Resources.
- (c) Every fireworks vendor shall ensure that all fireworks displayed or offered for sale are kept within an enclosed, non-combustible display unit, locked and accessible only to employees of the fireworks vendor.
- (d) No person shall have in his or her possession within six (6) metres of any fireworks kept or displayed for sale any lighted match, lighted lighter, lighted pipe, lighted cigar, lighted cigarette or any other lighted fire producing device.
- (e) Every fireworks vendor shall ensure that all fireworks that remain unsold at the expiration of the selling period specified in Section 2 of this By-law are immediately stored in a cool, dry place remote from flammable materials and inaccessible to the public.

#### **7. Temporary Vendor [amended by By-law (2025)-21073]**

Every temporary vendor shall comply with all of the provisions of this By-law and shall:

- (a) (i) Obtain the appropriate business licence from the City Clerk prior to doing business; and
- (ii) Ensure that such licence is prominently displayed in a place visible to the public on the site from which the vendor is doing business;
- (b) Provide a letter to the City Clerk from the owner of property on which a vending structure is to be located, indicating permission to do so has been given to the temporary vendor;
- (c) Provide a site plan showing the location of each vending structure in reference to City streets, buildings on the site and parking areas on the site, demonstrating compliance with all applicable laws and regulations, including the *Explosives Act, 1985*, as amended and regulations thereunder, and all guidelines established by the Federal Explosives Division, Department of Energy, Mines and Resources, and the manufacturer's instructions included with each specific package of fireworks.
- (d) Not permit the display or sale of fireworks unless the site complies with all applicable laws and regulations, including the *Explosives Act, 1985*, as amended and regulations thereunder, and all guidelines established by the Federal Explosives Division, Department of Energy, Mines and Resources, and the manufacturer's instructions included with each specific package of fireworks.

fireworks.

- (e) Erect and maintain connected pylons or fencing of a temporary nature to establish a no-encroachment zone, which complies with all applicable laws and regulations, including the *Explosives Act, 1985*, as amended and regulations thereunder, and all guidelines established by the Federal Explosives Division, Department of Energy, Mines and Resources, and the manufacturer's instructions included with each specific package of fireworks.
- (f) Post and maintain at every entrance point to the no-encroachment zone and at every entrance point to each vending structure, a sign that is clearly visible to the public stating that the items listed in Section 6(d) of this Bylaw are prohibited within six (6) metres of a vending structure;
- (g) Ensure that where the public is permitted access to a vending structure, that such structure has at least two (2) separate entrances;
- (h) Ensure that the public complies with Section 6(d) of this By-law;
- (i) Ensure that no more than twenty (20) persons are in any vending Structure at any one time;
- (j) Ensure that when the public is permitted access to a vending structure the temporary vendor or an agent or employee of the temporary vendor is in attendance;
- (k) Not operate unless a 2A10BC rated fire extinguisher is provided for each employee to combat fires which have not yet spread to the fireworks and ensure that fires involving fireworks are not fought but rather efforts are concentrated on evacuation and crowd control;
- (l) Post and maintain a sign indicating "IN CASE OF FIRE CALL 911" that is clearly visible to the public in each vending structure at all times;
- (m) Not leave a vending structure on any site overnight unless at least one (1) security person is on duty whenever the temporary vendor is absent from the site;
- (n) Where a vending structure is a tent, ensure that the tent material conforms with NFPA 701-1977, "Standard Methods of Fire Tests for Flame Resistant Textiles and Films: and that the tent is so labelled;
- (o) Where a fire alarm system is not provided in accordance with Subsection 3.2.4 of the Ontario Building Code, ensure that a person is employed for and is on firewatch duty at all times in vending structures that are tents and air-supported structures, whenever such structures are open to the public, in order to patrol the area and ensure the entrances are kept clear and that the regulations of this By- law relating to the public are enforced.
