

The Corporation of the City of Guelph By-law Number (1998)-15945

A By-law to regulate the idling of vehicles within the City of Guelph, and to adopt Municipal Code Amendment #226, amending chapter 167 of the Corporation of the City of Guelph's Municipal Code. [Amended by By-law (2012) – 19390]

Whereas motor vehicles are a major source of carbon monoxide emissions into the outdoor air of the City of Guelph;

And whereas carbon monoxide is associated with creating adverse health effects and contributing to the depletion of the ozone layer;

And whereas section 102 of the Municipal Act, R.S.O. 1990, Chap. M.45 authorizes every Council to pass by-laws and make such regulations for the health, safety, morality and welfare of the inhabitants of the municipality in matters not specifically provided for by the Municipal Act;

And whereas the Council of the Corporation of the City of Guelph desires to assist in the reduction of adverse health effects and in maintaining the ozone layer by reducing the unnecessary emissions of carbon monoxide;

Now therefore the council of the Corporation of the City of Guelph enacts as follows:
