This Permit for Construction/Excavation within public road allowance is issued by the City of Guelph and the Applicant agrees to the conditions of the current/active Municipal Access Agreement (MAA):

1. Prior to the issuance of a Permit, the Applicant shall provide the following to the satisfaction of the City Engineer or designate.
 - a) Any other supportive material as requested by the City Engineer.
2. All requirements of this Permit, or any aspects pertaining to this Permit, shall be to the satisfaction of the City Engineer otherwise the work will not be commenced until all requirements have been met. Permit applications with missing information will be rejected immediately.
3. The Applicant agrees to indemnify and save harmless The Corporation of the City of Guelph, its members of Council, officers and employees from all actions, causes of actions, suits, claims, proceedings, demands, fines, penalties, expenses and costs of any nature and kind, that are incurred by, or made or instituted against, any of them or to which any of them may be liable by reason of the Applicant, its agents or employees doing, failing to do, or doing incorrectly or negligently anything obligation to which the Applicant is subject, or exercising any right to which it is entitled, under the terms of this Permit, including but not limited to bodily injury or death or to damage to or destruction of tangible property resulting from the Applicant's operations, or caused by reason of the existence or location or condition of the construction site, or of any materials, plants or equipment used in connection with the works or other occupation of the City's Right-of-Way.
