Consent Agenda

The following items were extracted from the Consent Agenda to be dealt with separately:

OTES-2014.24 Overnight On-Street Parking Review

Extracted Consent Items

OTES-2014.24 Overnight On-Street Parking Review

Mr. Rodney Keller, General Manager of Public Works, provided background on the purpose of the overnight on-street parking report and its origins.

Ms. Nancy Button, Traffic Technologist II, outlined the current regulations related to on-street parking and explained the rationale for proposed alternatives to the City's parking protocols.

Mr. Paul Kelly, resident, raised concerns about the costs associated with a proposed requirement for permit parking for older residences that do not have on-street parking or on-site parking.

Ms. Cynthia Folzer, resident, was pleased that the City was revisiting the issue of winter parking on residential streets and provided examples of other municipalities' approach to permit parking.

2. Moved by Mayor Farbridge
Seconded by Councillor Piper

- 1. That staff be provided the authority to declare a temporary on-street parking ban effective 2014; and**
- 2. That overnight on-street parking on Guelph Transit bus routes be restricted during the period of the winter overnight on-street parking restriction effective 2014; and**
- 3. That the following be referred to the 2015 budget process for consideration:**
 - a) That the duration of the winter overnight on-street parking restriction be reduced from six months to five months (November 1 until March 31) [Note: Staff only recommend this in conjunction with the authority to declare a temporary on-street parking ban]; and**
- 4. That the following be referred to staff to develop a policy and criteria for any local street that does not currently have, but where there is a request for, year-round permissive overnight parking, permit year-round overnight parking on one side of the street if the street has a travel width (curb face to curb face) of at least 7 metres and if the street has at least one residence with no driveway and no options to provide a driveway, and report back to the Operations, Transit, and Emergency Services Committee.**

It was requested that the clauses be voted on separately.
