### Work Ordered

#### PART A:

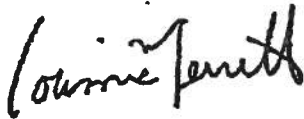

The City of Guelph shall do the following:

1. Within 90 days of the service of this Order, drill, install and develop a series of groundwater monitoring wells on the property identified as 490 York Road in the City of Guelph, ON. These wells shall be installed to a depth and construction design required to properly evaluate the hydrogeologic conditions in the eastern part of the property identified as 200 Beverly Street in the City of Guelph and to identify the source of the Volatile Organic Compound (VOC) contamination in this area.
2. Within 30 days of the development of the new wells referred to in Work Order 1, collect representative samples from these monitoring wells for analysis including, but not limited to, vinyl chloride, 1,1-dichloroethene, trichloroethylene and cis-1,2 dichloroethene. Sample analysis shall be completed by a qualified laboratory.
3. Within 60 days of the sample collection referred to in Work Order 2, submit to the Guelph District Office an initial investigative report with the collected analytical results. This

report shall include, but not be limited to, a hydrogeologic and groundwater contamination update at the eastern part of the property identified as 200 Beverly Street, and if applicable, a proposal for a long-term groundwater monitoring and reporting plan and recommendations necessary to remediate the VOC contamination on the above mentioned properties

4. If upon presenting this Order to the property owners or their agents and access to the property by the City of Guelph or its agents for the purposes of complying with this Order is denied the City of Guelph will record the reasons for the denial and forthwith notify the issuing Officer.
  - A. While this Order is in effect, a copy or copies of this order shall be posted in a conspicuous place.
  - B. While this Order is in effect, report in writing , to the District or Area office, any significant changes of operation, emission, ownership, tenancy or other legal status of the facility or operation.
