2015
PUBLIC SERVICES
Annual Report
The City of Guelph’s Public Services area provides on-the-ground programs and services for the residents, businesses and visitors of Guelph.

These programs and services are designed to promote and protect the community.

Throughout the year, our employees have provided access to recreational opportunities, celebrated historic events, refurbished playground equipment. They worked alongside community groups and the local school boards to provide fire education to thousands of children.

Time, energy, resources and funding has been dedicated to supporting various athletic and cultural events at City facilities. Through the City’s community grant program, $282,000 has been invested in 48 community programs.

As we take time to reflect on these and our many other accomplishments, we also look for the areas we can focus on and improve in 2016.

We will continue to deliver valued services to the community. We will continue to seek opportunities for community involvement and improve the quality of life for all residents and visitors of Guelph.

Derrick Thomson
DCAO, Public Services

Guelph Museums
Guelph Museums operates Guelph Civic Museum, McCrae House National Historic Site, and Locomotive 6167. Staff collect, preserve and share the objects and stories that trace Guelph’s history and that inspire our future.

2015 Accomplishments
- Renovated the McCrae House
- Commemorated the 100th anniversary of the writing of In Flanders Fields by John McCrae with the unveiling of the McCrae statue at the Civic Museum, extensive programming, and an international marketing campaign
- Completed Phase 2 Landscape project at the Civic Museum
- Welcomed 29,466 visitors

2016 Focus
- Create and present “Lucile: Fashion. Titanic. Scandal.” — a major exhibition about Lucile, Lady Duff Gordon who came from Guelph and dazzled the world with her fashion design empire
- Continue enhanced programming at McCrae House
- Increase revenue through fundraising and sponsorships
- Initiate planning for Canada 150 celebrations

John McCrae House
Culture, Tourism and Community Investment

Cultural Affairs and Tourism

**2015 Accomplishments**

- Accepted donation of McCrae statue into City’s public art collection at public unveiling
- Completed restoration of McCrae Memorial
- Launched new website for Sleeman Centre
- Partnered with University of Guelph students to present the Wilson Street Promenade in conjunction with John Galt Day festivities
- Increased revenue totals by 31 per cent, primarily due to In Flanders at 100 commemoration fundraising opportunities
- Partnered with Special Olympics Ontario to develop plans for a welcoming visitor and athlete experience
- Celebrated successful completion of 2015 City of Guelph Artist in Residence commemoration portraiture project
- Ranked 8th in Canada’s Culture Days top 10 list of Canadian cities and towns

**2016 Focus**

- Implement recommendations of Tourism Operational Review and DestinationNEXT tourism strategic initiatives to stimulate economic growth
- Complete upgrades to Farmers’ Market to increase operational efficiencies and revenue potential
- Pilot weekday rental of Farmers’ Market to increase revenue and add a new informal cultural event space to the public inventory for community use
- Launch City’s culture profile on guelph.ca and redevelop GIS-based culture map to improve planning and dissemination of information
- Launch interdepartmental public art site planning process for integration with new capital projects
- Review public art funding model, through Public Art Advisory Committee, as per public art policy

Community Investment

2015 Accomplishments and Ongoing Projects

Community Investment programs and projects:

- Community Wellbeing Grants
  - $282,200 was awarded to 48 organizations by a community panel
- Community Benefit Agreements
  - Established partnership agreements with 12 not-for-profit organizations that totalled $1.4 M
- Elevator Project
  - Matched idea makers and investors, 13 ideas leveraged $80,000 cash and in-kind support
- Subsidy Administration
  - Enhanced customer service to FAIR and Affordable Bus Pass Customers

Guelph Wellington Local Immigration Project

Goal: We envision a caring, equitable community where everyone thrives!

- Developed Global Talent Initiative to engage over 60 employers on hiring immigrants
- Developed resources for immigrant entrepreneurs
- Supported coordination of local support efforts around Syrian refugee crisis
- Developed immigrant videos to build awareness of immigration experience

Guelph Wellington Immigration Portal

Goal: Attracting and retaining immigrants

- 8,500 people visited the site; 58 per cent were international users
- Developed local labour market information specific to the immigrant experience
$593,491 in additional funds was leveraged by Wellbeing Grants recipients.

5,234 volunteers provided 129,956 hours to support groups funded.

How many applicants received Fee Assistance in Recreation (FAIR)?

- 2013: 228
- 2014: 251
- 2015: 219

How many applicants received the Affordable Bus Pass?

- 2013: 2,061
- 2014: 2,103
- 2015: 2,203

Fire Service Delivery
Public Education and Fire Prevention
Fire Inspections and Investigations

Emergency Preparedness and Administration

Community Emergency Preparedness Administrative Support
Emergency Preparedness and Administration

2015 Accomplishments

- Recognized Emergency Preparedness Day at the West End Community Centre on May 6, highlighting the organizations that assist the community during an emergency
- Trained 24 City of Guelph sponsored members in basic emergency management; conducted cooperatively with Wellington County
- Trained 54 employees through a Justice Institute of British Columbia emergency management exercise—exercise involved an effluent discharge into the environment.
- Submitted documentation to Emergency Management Ontario (EMO) that demonstrated compliance with EMO Regulations

2016 Focus

- Training: 24 City of Guelph sponsored members in basic emergency management – members from throughout the organization or partner agencies
- Conduct an Emergency Management (EM) exercise with the Emergency Operations Control Group (EOCG) focusing on recovery situations
- Recognize Emergency Preparedness Day on May 4; anticipating 2,500 youth being exposed to the Emergency Management Process. This year the goal is to improve the experiential learning: More participation by the youth in attendance, more hands on and demonstrations to raise the level of engagement.
Emergency Services

Guelph – Wellington Emergency Medical Services

2015 Accomplishments

- Established a temporary response station in downtown Guelph to improve response times in a high call volume area
- Implemented an Emergency Response Vehicle as an alternative method of responding to calls and reducing response times
- Awarded the Service Awards for Geriatric Excellence (SAGE Award) by the Regional Geriatric Program for the work initiated as part of the Community Paramedicine Project
- Partnered with University of Guelph, Human Anatomy program, for education with Advanced Care Paramedics
- Contributed over 300 Paramedic volunteer hours for public education
- Certified all staff in WHIMIS 2015

Guelph-Wellington Community Paramedicine Program:

Goal: Through collaboration of paramedics with external agencies such as the Waterloo- Wellington Community Care Access Centre, Canadian Mental Health Association, and Family Health Teams, the Community Paramedicine Program facilitates patient access to appropriate care at the appropriate time, and consequently reduces 911 calls for service.

- Processed 390 referrals to resource agencies by paramedics attending 911 calls
- Held weekly clinics at three different sites as part of the Community Health Assessment Program through Emergency Medical Services (CHAP ems) study in collaboration with McMaster University; 95 members of the public participated in the clinics
- Distributed 18,000 File of Life information packages
- Registered 190 Public Access Defibrillators with the 911 call centre
2016 Focus

- Optimal Resource Deployment of Emergency Services Study
- Continue to develop the Community Paramedicine Program and incorporate it as a permanent part of the Paramedic Service
- Enhance the Critical Incident Stress Management Program for the health, wellness and safety of our paramedics. This is a coordinated effort with the Fire Department.
- Initiate a Bicycle Paramedic Program, in cooperation with external sponsors, as an alternative method of service delivery and a means of promoting the Emergency Services profession to the public
- Implement Naloxone administration for all Paramedics in response to increase of opioid misuse in the community
- Negotiate a collective agreement with OPSEU 231
- Implement power stretchers to reduce stress injuries in paramedics
What percentage of the time did the land ambulance arrive within 8 minutes whenever resuscitation was needed during 2015?

% of time when arrival was within 8 minutes

Opening of the Station at 65 Delhi

ERU - Start of the Emergency Response Unit in Guelph

Outcome of Paramedic Referral to Waterloo-Wellington Community Care Access Centre (WWCCAC)

- Patient received new services
- Patient received service enhancement
- Unknown
- Patient Refused WWCCAC
- Patient not Eligible for services
- Patient referred to another agency
Emergency Services

Guelph Fire Department

2015 Accomplishments

- Guelph Fire Department (GFD) and Wellington-Dufferin School Board collaborated and succeeded in the development of a Fire Safety Program for ESL students Canada-wide, for which they have received an award honouring their achievements from the Ontario Fire Marshals Public Fire Safety Council
- Certified all seven GFD Fire Prevention Officers as Fire and Explosion Investigators
- Achieved Chief Fire Official status and certification for the Review of Fire Safety Planning for Vulnerable Occupancies for all seven GFD Fire Prevention Officers
- Achieved National Fire Protection Association Certification as Fire Inspectors and Public Fire Safety Educators for two GFD Fire Prevention Officers
- Transitioned the Fire Prevention Bureau from Inspection Reports to Inspection Orders, in accordance to Legislation (Fire Protection and Prevention Act-FPPA)
- Conducted bi-yearly inspections of all night clubs in order to achieve code compliance in collaboration with other Inspection Agencies (AGCO, GPS, and City Bylaw)
- Completed all legislative mandatory fire drills and fire safety inspections for Vulnerable Occupancies (32 buildings with approximate 5,000 residents)
- Completed second of a three-phase Technical Rope Rescue Program. This program enables the GFD to initiate rescue within high rise buildings and other tall structures
- Transitioned Platoon Chiefs, Captains and Acting Captains from the Ontario Fire Marshal Curriculum to the National Fire Protection Association (NFPA); this new curriculum allows the officers to have a wider and more standardized curriculum. The change follows the direction of the Ontario Association of Fire Chiefs
- Acquired a new boat and one all-terrain vehicle to enhance emergency response capabilities
- Acquired a new command vehicle that will be put in service in 2016
Emergency Services

Motor Vehicle Collision Rescue

Firefighters – Tactical Technical Rope Rescue Training
2016 Focus

- Complete Prosecutions Training for Fire Prevention Officers, in partnership with the City’s Court Services
- Certify three GFD Fire Prevention Officers for the inspection of fireworks (storage, manufacture and deployment) following Canada Explosives Regulation
- Engage in partnership with the University of Guelph Fire Inspectors for fire safety in buildings on campus
- Launch the new Learn Not to Burn Curriculum for all elementary schools in the City (Public, Private, Catholic, independent and home school) in both official languages of Canada
- Certify two GFD Fire Prevention Officers in the TAPP-C (The Arson Prevention Program for Children, this program is related to juvenile fire setters)
- Complete Tactical Operational High-Rise Training for all officers and Tactical Technical Rope Rescue
- Initiate required Ontario Fire Code Retrofit inspections for all vulnerable occupancies
- Preparation of seminars/training manuals for seniors for fire safety evacuation and control of hazards
- Transition from the Ontario Fire Marshal Curriculum Standards to the National Fire Protection Association (NFPA) Standards for Fire Prevention
- Implement the New Fire Learning Management System on-line training for all suppression firefighters
- Implement an education program to engage visible minorities within our community to consider firefighting as a profession
- Negotiate a collective agreement with the Guelph Professional Firefighters Association
- Enhance the Critical Incident Stress Management (CISM) Program for the health, wellness and safety of our firefighters. This is a coordinated effort with CISM team at GWEMS

Guelph Transit

Continuous Improvement

2015 Accomplishments
- Installed accessible bus stop pads based on budget allowance
- Completed a majority of the Guelph Transit/GO share stop renovations

2016 Focus
- Complete the implementation of Trapeze CAD/AVL (Computer Assisted Dispatch/Automatic Vehicle Location) system, scheduling software and bus ITS (Intelligent Transportation Systems)
- Integration of corporate radio system with Trapeze system
- VIA renovations
- Phase II of bus wash rain harvesting system – installing additional tanks for rainwater collection
- Upgrading stops on shared routes with GO/Metrolinx
- Upgrading Transit Fare boxes to integrate with Trapeze CAD/AVL in order to provide more accurate passenger tracking and revenue collection
Transit Operations

2015 Accomplishments

- Conducted a Route Rationalization and Transit Priority studies
- Continued attendance management systems and management of staff resources
- Reduced number of cancelled runs
- Continued to manage overtime hours
- Continued customer-first focus resulting in reduced customer complaints by an additional 30% from 2014
- Continued investment in transit operator defensive driver training
- Achieved revenue projections vs. budget were within 0.5 per cent of target $10,642,528
- Transit expenditures were under budget for 2015 by $540,000
- Reduced grievances year over year to an additional 30% reduction in 2015

2016 Focus

- Maintain public confidence in the delivery of reliable, convenient service by reducing the number of cancelled runs and meeting the on-time service target of 85% or greater
- Monitor and maintain employee attendance through Employee Attendance Support Program to continue to ensure a healthy and safe work environment for our employees
- Prepare a Transit Vision of resources and requirements for 2035 and beyond for submission to the Federal and Provincial governments for consideration of potential Transit Infrastructure Funding
- Continue to improve Labour Relations and ensure that H&S is forefront for the organization

Administration

2015 Accomplishments

This Administrative group is comprised of positions that primarily support the programs, services and activities of the Operations Department. The provision of administrative services includes timekeeping, attendance management, locate processing of buried infrastructure, financial transactions, health and safety, switchboard and reception, central filing and general office duties.

The unit is the Department’s central hub for customer requests for service and inquiries regarding operational programs such as winter maintenance, potholes, traffic signal repairs etc. Inquiries are received via telephone, email and online submission.

The Administrative Unit also participates in corporate initiatives such as the coordination of the Clean & Green Community Clean Up and processing of utility locate service for buried City infrastructure. [Note, the Clean & Green Community Clean Up initiative has been transferred to the Parks & Recreation Department as of 2016 and the processing of utility locates has been centralized under Water Services as of March 2016.]

The Administrative group is committed to the continued delivery of excellent customer service and administrative support to the department and the public.

Bylaw Compliance, Security and Licensing

2015 Accomplishments

- Implemented new licensing regulations for Donation Bins and Publication Dispensing Boxes
- Began discussions with Guelph Police for assumption of Taxi Licensing and Second Hand Goods Licensing
- Continued the community working group and facilitated comprehensive community engagement process to inform the development of the updated Animal Control Bylaw
- Amended the Food Vehicle category of the City’s Business Licensing Bylaw to remove barriers to food vehicle operators
- Improved efficiencies within business licensing administration and inspection by continuing to stagger business license renewals
- Replaced the Farmers’ Market security system and continued to integrate other security systems
- Integrated Property Standards and Solid Waste Bylaw Compliance within the division
- Created an app to request Bylaw calls for service through mobile devices in partnership with Information Technology

2016 Focus

- Begin the transition of Taxi Licensing and Second Hand Goods Licensing from Guelph Police Services to City of Guelph for completion in 2017
- Continue the pilot of the on-line reporting and tracking system for calls for service for Bylaw matters in support of Open Guelph
- Finalize the Animal Control Bylaw review and recommend amendments to Council for consideration
- Continue to lifecycle and integrate the City’s security systems such as those at the Sleeman Centre, Municipal Street buildings, McCrae House and West End Community Centre

Fleet Services

2015 Accomplishments

• Completed lifecycle renewal of Automatic Vehicle Locator (AVL) system for winter control vehicles and assets

• Purchased, commissioned, assessed, maintained, repaired, decommissioned and disposed of all City vehicles and equipment including Guelph Transit – ongoing effort

• Monitored the Commercial Vehicle Operator’s Registration (CVOR) Index

• Managed and executed the Corporation’s Driver Training program and collision review committee

• Ensured all maintenance routines are performed at two full scale auto service and repair shops at the Operations facility and the Transit facility in accordance with Ministry of Transportation regulations

2016 Focus

• Support the Internal Auditor’s fleet report recommendations

• Replace the fuel system at Riverside Park

• Develop and execute service level agreements between Fleet and operational departments
Public Works

2015 Accomplishments

- Responded to second season (first quarter of 2015) of unusually high winter storm activity to clear roads, sidewalks, parkades, and bus stops of snow and ice
- Supported construction of the new Salt Storage Facility at 45 Municipal Street
- Completed the Snow Disposal Facility needs assessment study
- Implemented new GIS system (ESRI) for winter control in conjunction with Open Guelph

2016 Focus

- On-boarding of new FTEs following 2016 budget approval process and addition of staff positions to improve operational oversight and service delivery
- Begin completion of backlogged regulated sidewalk maintenance tasks and install more accessible curb ramps
- Implement geographic information system (GIS) mobile platform to create an inventory and condition assessment of all sidewalks and roadways to more effectively manage maintenance activities and assist in achieving legislated levels of service

Operations

Asphalt crew – Public Works week

Winter control – ready for deployment

Operations student education program
Forestry

2015 Accomplishments

- Integrated Forestry with Parks Operations division
- Implemented year two of the Urban Forest Management Plan (15 of 22 recommendations fully or partially addressed)
- Completed plantable spaces analysis
- Added one new Arborist FTE
- Implemented year two - Guelph’s Emerald Ash Borer (EAB) Program
- Worked with Hydro One and the community on a hydro corridor vegetation management project in Silvercreek Park
- Added or updated more than 20,000 records in the inventory of City-owned trees

2016 Focus

- Continue to work on the Municipal Tree Inventory, Trees for Guelph planting events and The Rotary Forest at Guelph Lake
- Continue to work on implementation of the Urban Forest Strategy
- Establish vegetation characterization/monitoring plots
- Tree and Shrub Replacement
- Emerald Ash Borer Program
- Downtown Streetscape
- Remove damaged trees

2,552 service requests
3,885 tree inspections
1,757 trees trimmed
515 trees removed
585 trees planted
Parks and Recreation

Parks Operations

2015 Accomplishments

- Established an effective after-hours on-call system that improves efficiencies and customer service
- Increased administrative capacity to meet the needs of the new division (Parks & Forestry)
- Realigned cutting crew schedules to improve efficiencies
- Improved lighting at St. George’s Park tennis courts
- Refurbished carousel and its murals
- Improved service levels to all playgrounds (shortened return time from 20 days to 5 days)
- Upgraded infrastructure at Cenotaph, Larry Pearson, Riverside, Victoria Road Recreation Centre, all sportsfields and playgrounds
- Installed award-winning horticulture display in City Hall courtyard
- Themed floral clock on poppies for John McCrae anniversary
- Improved safety with “arrow board” trailers for work in rights-of-way
- New horticulture initiatives at Clair Road Emergency Services Centre, Maltby Road gateway, Library Square, and Macdonell Street pedestrian refuge
- Signed a maintenance agreement with Grand River Conservation Authority to maintain more than 250 ha of their land with City recreational amenities
2016 Focus

- Implement Trails & Natural Areas Stewardship work group
- Re-allocate management and administrative team
- Launch 311GIS as additional service request portal
- Implement electronic data program for turf program
- Re-lamp Guelph Lakes and Hastings fields
- Continue expansion of central irrigation
- Upgrade irrigation in Market Square
- New greenhouse at Riverside Park
- Upgrade concession stands and selected washroom facilities
- Install new Riverside Park entrance signage
- Complete three capital projects in cooperation with the Kiwanis Club

* Picked up 406,163 kg of garbage
* Cut 4250 ha of grass
* Applied 3,600 kg of fertilizer and 12,000 kg of seed
* 2,500 diamond groomings
Parks and Recreation

**Parks Planning**

**2015 Accomplishments**

- Retrofitted playground equipment at three parks and commenced community engagement for replacement of Riverside Park playground
- Started construction on the skateboard facility
- Completed community engagement and master plan for Northview Park (new park in Ward 2)
- Started construction on the South End Community Park splash pad
- Completed community engagement and design concept for the Eastview Community Park Amenity Building
- Started construction on the Lyon Park baseball diamonds refurbishment
**2016 Focus**

- Open the skateboard park and South End Splash Pad
- Replace playground equipment at five parks including the rubberized playground surface at South End Community Park
- Complete Lyon Park and start booking fields for league play
- Implement GIS mapping of all park assets
- Construct Northview Park and open for neighbourhood use
- Commence construction of the Eastview Community Park Amenity Building
- Complete community engagement and design concept for Ellis Creek Park (new parkette in Ward 4)
- Complete environmental studies for a trail under Speedvale Avenue to Riverside Park
- Complete environmental assessment for trail bridge beside Guelph Junction Railway at Macdonell Street to Arthur Street
- Commence updates for Guelph Trail Master Plan and Parkland Dedication Policy and Bylaw
- Implement ice rink infrastructure at Colonial Drive Park
Recreation Services

2015 Accomplishments

- Served over 18,000 families in programs
- Instructed 12,146 participants in swimming lessons
- Saw 22 per cent increase in summer camp participation over 2014—a total of 2,182 campers
- Welcomed 1,000+ volunteers with 23,359 hours in programs
- Booked 9,858 sportsfield and 406 outdoor event
- Received the Energize Guelph Grant; $875,000 supporting Children’s Health & Wellness
- Planned and designed Victoria Road Recreation Centre renovation
- Renewed design and format for the Community Guide
- Increased marketing and promotion in all facilities and program areas
2015 Recreation Accomplishments

- More than 18,000 families served
- 12,146 participated in swimming lessons
- 7,372 Pool Rentals
- 10,568 Total Usage Hours

- 5,367 Ice Bookings
- 11,296 Total Usage Hours
- Rooms/Gyms - 5,369 Rentals
- 29,495 Total Usage Hours
- 141 Indoor Event bookings including ice/dry pad, aquatic meets etc.

- 9,858 Sports Fields Bookings
- 34,281 Total Usage Hours
- 406 Outdoor Event Bookings
- 2,182 Participated in Summer Camps
- 22% increase over 2014

Supporting Our Community in 2015

- $875,000 Grant Supporting Children’s Health and Wellness
- 100+ Summer Student Jobs Created
- 1000+ Volunteers
- 23,359 Hours
- $620,882 Value
2016 Focus

Communication and Marketing Initiatives

- Continue to enhance communications and marketing initiatives (signage, publications, online and social media) to heighten community awareness of recreation and booking opportunities
- Market June is Recreation & Parks Month and June is Seniors’ Month
- Ensure Energize Guelph (a healthy kids grant program) is broadly known and utilized across the community
- Increase signage at West End Community Centre, Centennial Arena and Centennial Pool to ensure way-finding visibility for community members
- Organize the “Grand Opening” of the Silvercreek Skate Park

Victoria Road Recreation Centre Renovation

- Continue Renovation project within established construction timeline
- Update construction website to provide community with “renovation” progress
- Revise license agreement established with Upper Grand District School Board for enhanced use of Centennial Pool
- Create and update relevant policies
- Prepare work plan for development of Facility Allocation Policy, Youth Subsidy Policy and Inclusion Policy
- Prepare Request for Proposals (RFP) to replace Recreation booking software
- Complete/update all Facility Operations – Standard Operating Procedures

Agreements

- Complete inventory of applicable agreements with user groups/affiliates
- Re-establish relationships with agreement holders
- Update agreements where applicable
