For the purposes of this Agreement, "development" and "re-development" shall have the same meaning as prescribed at section 41 of the *Planning Act*.

CONFORMITY WITH SITE DEVELOPMENT PLANS AND CONDITIONS

5. The Owner shall develop the Lands substantially in accordance with the Site Development Plans, and the terms and conditions of this Agreement (including any schedules attached hereto).

CERTIFICATES

6. The Owner shall submit a letter certified by a Professional Engineer confirming that all engineering on-site works are completed in accordance with the Site Development Plans.

SECURITY

7. As a condition of approval of any Site Development Plans, the Owner shall provide the City with financial security in the amounts set out in Schedule "A" and in a form satisfactory to the City ("Security"), for the work as specified in Schedule "A" ("Secured Work"). The Security shall remain in effect until the Secured Work to which such Security relates has been completed in accordance with the requirements of this Agreement. In the event the Owner does not comply with the requirements related to the Secured Work under this Agreement, the City shall have the right to draw on the Security for such Secured Work, in whole or in part, from time to time, retain the money secured by such Security and apply such money for the sole purpose of completing the Secured Work to which the Security relates.

RELEASE OF SECURITY

8. Upon certification by the City that all conditions imposed by this Agreement relating to any Secured Work have been satisfied, and provided the Owner is not in default with respect to any other provisions of this Agreement, the Owner shall be entitled to the release of the balance of the Security held by the City at the time of such certification in respect of such Secured Work. The City shall not be required to refund or account for any Security utilized by the City as a result of any default by the Owner under the provisions of this Agreement. As and when applicable in the City's sole discretion, the amount of the Security may be reduced to reflect partial completion of the Secured Work and the Owner may substitute or amend the Security to reflect the reduced amount. In the event the Security is substituted in full, the City will return the earlier issued security in its possession to the Owner.

9. The Owner shall retain the services of appropriate professional consultants which may include an architect, an engineer and a landscape architect, to supervise the installation and construction of the Development and to maintain records of the same, which records shall be made available to the City upon request, and to provide certifications to and as required by the City.
10. Immediately upon request by the City, the Owner shall advise the City in writing of the names of and contact information for its professional consultants and shall thereafter advise the City in writing of any change in the names of or contact information for its professional consultants within ten (10) days of any such change.
11. Upon completion of the Development, the Owner shall cause its professional consultants to certify to the City that the Development has been completed in accordance with the plans, drawings and reports listed in section 2.

12. If, following receipt of the certifications referred to in section 11 of this Agreement, the City inspects the Lands and finds deficiencies of any nature whatsoever, the City shall notify the Owner, and the Owner shall remedy such deficiencies and shall cause its professional consultants to provide further certifications confirming that the deficiencies have been remedied.

GUIDELINES AND STANDARDS

13. Unless otherwise specified on the plans, drawings and reports listed in section 2, the Owner shall install and construct the Development in accordance with the guidelines of the City, Grand River Conservation Authority and any provincial or federal laws, regulations and standards.

14. The Owner shall undertake all construction activity on the Lands in such a manner so as not to unreasonably interfere with adjoining lands or traffic on adjacent streets. The Owner shall control all dust, mud and debris resulting from any construction activities and remove the same promptly from any municipal catch basin, manhole, sewer, ditch, culvert, roadway, boulevard or sidewalk. The Owner shall reimburse the City for any damage to any municipal services, facilities or works resulting from the development or redevelopment of the Lands, howsoever caused, and the determination of the City's General Manager/City Engineer with respect to whether or not said damage was caused by the Owner or with respect to the extent of the damage shall be final and binding on all parties.
15. The Owner shall maintain in good repair and in a safe and clean condition the Lands, vegetation, structures, buildings, facilities, services, works and landscaping improvements on the Lands at his own expense and shall do all acts necessary to comply with and properly carry out and provide for the maintenance and use thereof, including the replacement or repair of broken, damaged or worn material or parts and the replacement of dead or deceased vegetation. The Owner shall further keep the Lands free and clear of all refuse, debris and obstructions. Without limiting the generality of the foregoing, and in addition to anything else contained herein, the Owner shall:
 - a) keep in a proper state of repair and operation the access roadways to the satisfaction of the City;
 - b) rectify, replace or repair any part of the Development not constructed in accordance with the Site Development Plans or in accordance with any "as constructed" drawings submitted by the Owner and approved in writing by the City in its sole and absolute discretion;

- c) do all maintenance and repairs pursuant to this Agreement as the Owner may be directed to do in writing by the City; and
- d) ensure all snow shall either be placed, stored or deposited on the Lands in accordance with the plans, drawings and reports listed in section 2.

FAILURE TO MAINTAIN OR PERFORM OBLIGATIONS

- 16. If, in the reasonable opinion of the City, the Owner is not adequately performing its obligations pursuant to this Agreement, or such obligations are not being performed expeditiously or in the best interests of the City, the City may, upon providing ten (10) days' written notice to the Owner respecting such non-performance, and an opportunity to rectify same within that time, enter upon the Lands and repair, replace or otherwise maintain the Lands at the Owner's expense.
- 17. The Owner hereby covenants and agrees that should it be in default of any of its obligations with respect to maintenance, without any limitation whatsoever, the City in its sole discretion may add any costs incurred by the City to fulfill or rectify such default to the tax roll for the Lands, and that the City shall be permitted to collect such amount outstanding in the same manner as municipal taxes. The Owner further agrees that the amount outstanding shall accrue interest payable to the City in the same manner as taxes in arrears.

CONNECTIONS TO MUNICIPAL SERVICES

- 18. Relocation of any municipal services, facilities or utilities (including any curbs, gutters, catch basins, poles, bus shelters, manholes, telephone boxes, valves, drains, or transformers), whether owned by the City or any utility company, shall be carried out by the City, a City approved contractor or the utility company at the Owner's expense.

- 20. The Owner shall store all garbage in the garbage storage facilities as shown on the Site Development Plans. If the garbage storage facilities are designed for the use of a bulk lift container, it shall be the Owner's responsibility to provide for such container and for the regular removal and replacement of the same as may be reasonably required. In the event no garbage storage facilities are shown on the Site Development Plans, all garbage shall be stored indoors.

STORM WATER MANAGEMENT

21. The Owner agrees to develop and maintain the Lands, including the stormwater management facilities and oil-grit separator, in accordance with the Site Development Plans. The Owner shall keep maintenance records.

22. The Owner hereby grants permission to the City and its agents, contractors and employees to enter upon the Lands at any time or times to perform such inspections as may be reasonably necessary to determine whether the Development is in compliance with and continues to be in compliance with the provisions of this Agreement.

EMERGENCY REPAIRS

23. During the development of the Lands, the City and its agents, contractors and employees may enter upon the Lands at any time or times for the purpose of making emergency repairs to the Development. Such entry and repair shall not be deemed to be an assumption by the City of any liability in connection with the development of the Lands, nor a release of the Owner from any of its obligations under this Agreement.

ADDITIONAL WORKS

24. If at any time or from time to time during the development of the Lands, the City is of the opinion that, because of previously unknown or unforeseen conditions, it is necessary to supply, install or construct additional works in order to adequately provide services for the Lands or in order to prevent damage to any other lands, the Owner shall supply, install or construct such additional works at the request of the City.

DAMAGE

25. The Owner shall immediately repair any damage done to any property as a result of the development of the Lands.
26. If the Owner fails or neglects to immediately repair any damage done to any property as a result of the development of the Lands, the City shall be entitled to draw upon the Security if the damage relates to the purpose of the Security and to use the proceeds thereof to repair such damage. In the event there is no Security applicable to the damage, the City shall be entitled to collect the costs and expenses incurred to repair the damage in a like manner as municipal taxes.
27. The Owner shall stabilize all disturbed soil with a vegetative cover within ninety (90) days of being disturbed, control all noxious weeds and keep ground cover to a maximum height of 150mm (six (6) inches).

OWNER'S EXPENSE

28. The Owner acknowledges that, where this Agreement obliges the Owner to perform any work or do anything, it is to be done at the Owner's expense and not at the City's expense.

COSTS

29. The Owner shall pay to the City, forthwith upon demand, all costs and expenses incurred by the City, whether directly or indirectly, in connection with this Agreement and the approval of any Site Development Plans. Without limiting the generality of the foregoing, such costs and expenses shall include a charge for the processing of the Site Development Plans by the City, and all legal, surveying and engineering costs and the costs of any consultants retained by the City incurred in connection with this Agreement, the supervision of all of the works undertaken in connection therewith or in ensuring compliance with this Agreement and the registration thereof on title to the Lands.

INDEMNITY

30. Save and except for any actions, causes of action, suits, liens, claims, demands or costs arising out of any fault or neglect of the City, the Owner shall indemnify the City against all actions, causes of action, suits, liens, claims, demands and costs whatsoever which may arise either directly or indirectly as a result of the development of the Lands.

DEFAULT

31. In the event of any default by the Owner pursuant to any of the terms of this Agreement, in addition to any other remedies available to the City and without any limitation thereof, the City may:
- a) draw on the Security in whole or in part for the purpose of the Security;
 - b) undertake or complete any obligation of the Owner hereunder;
 - c) enter upon the Lands through its servants or agents for any purpose whatsoever;
 - d) issue a stop work order with respect to any further development, redevelopment or work upon the Lands pursuant to the *Building Code Act, 1992*, S.O. 1992, c. 23, as amended, or other applicable legislation; and
 - e) recover from the Owner all costs and expenses incurred by the City whether directly or indirectly, with respect to the default or the remedy thereof and collect such costs and expenses in like manner as municipal taxes.

CONSTRUCTION ACT

32. The Owner shall comply with all of the provisions of the *Construction Act*, R.S.O. 1990, c. C.30 as amended (the "*Construction Act*"), including retention of all holdbacks and funds required. The Owner shall at its own expense, within ten (10) days of receiving written notice from the City to do so, pay or otherwise discharge or vacate any lien, charge or claim brought or registered pursuant to the *Construction Act* (whether perfected or not) which affects any lands owned by the City or in which the City has an interest, and which arise out of the performance of this Agreement.
33. The Owner hereby indemnifies the City from and against all suits and claims of any nature arising out of or connected with the carrying out of the Owner's obligations pursuant to this Agreement and, particularly, against any claim(s) pursuant to the *Construction Act*. This indemnity does not extend to the negligence of the City, its employees, agents or contractors.
34. Any reductions in the Security are subject to the provisions of the *Construction Act* and the City shall retain a holdback either in accordance with the said Act or in accordance with the *Construction Act* provisions of this Agreement.
35. The City may use all or part of the Security to pay, discharge, vacate and obtain and register a release of all charges, claims, liens, and all preserved or perfected liens, made, brought, or registered pursuant to the *Construction Act* which affect any lands owned by the City including public highways in the event that the Owner defaults in respect of its obligations under this Agreement relating to the purpose of the Security.

OWNER'S EXPENSE

36. Every provision of this Agreement by which the Owner is obligated in any way shall be deemed to include the words "at the expense of the Owner" unless the context otherwise requires.
