To whom it may concern,

We have be tenants here at 3 Watson Road South for many years and have no issues with the new proposed zoning and BY – Law amendment.

The current tenants at this location have been very good and we have had no parking issues and we are very happy to be at this location with the other tenants.

If you have any questions please feel free to contact myself directly.

Best Regards

John Murphy

Guelph, Ontario N1L 1E3

To Whom It May Concern:

Our business is in the plaza where the River of Live, International Fellowship is currently located. We have not experienced any problems with them and therefore support the rezoning application.

Yours truly,

A handwritten signature in cursive script that reads "Donna Solomon".

To whomever it may concern:

Our business has been located beside the church for over a year, and we have not experienced any problems with them or its location. Therefore, we don't see any reason for the church to be zoned elsewhere.

Sincerely,
