City of Guelph

Guelph, ON N1H 3A1

Dear Mayor Guthrie and City Council,

I am writing with respect to the applications by the City of Guelph for funding under the Government of Canada Infrastructure Funding.

I thank you for sharing your priorities earlier this year and moving forward I welcome our working together to make Guelph a better community for its residents.

I have reviewed the project list put forward by the City of Guelph and support your priorities in keeping with the Federal funding criteria to enhance transit infrastructure and plan for future transit needs, address future growth potential and improve access to existing assets. I feel it is very important to work together with the province to align municipal provincial and federal priorities as well as roll out plans and time frames.

As the Member of Parliament for Guelph, I wish to offer my support for the applications to be submitted by the City of Guelph for Federal Infrastructure Fund.

Sincerely,

Lloyd Longfield
Member of Parliament for Guelph
