Subject **Closed Meeting Protocol Update**

Report Number CS-2018-58

Executive Summary

Purpose of Report

To update the Closed Meeting Protocol to reflect new open meeting exceptions added to the Municipal Act through [Bill 68, the Modernizing Ontario's Municipal Legislation Act, 2016](#).

Key Findings

The Closed Meeting Protocol continues to be a valuable tool for City Council, staff and the public as it relates to facilitating and understanding closed meetings of Council.

Updates to the Closed Meeting Protocol include the addition of four new open meeting exceptions as well as administrative changes that ensure consistency between the Closed Meeting Protocol, the Procedural By-law and current best practices.

Financial Implications

None.

Report

The Closed Meeting Protocol was established in 2011 to ensure compliance with the Municipal Act and to provide Council and staff with an understanding of the various legislative requirements that govern closed meetings. The Closed Meeting Protocol, despite not having been updated since 2011, continues to be a valuable resource in this regard.

This update is required to ensure consistency between the Closed Meeting Protocol, the Municipal Act, the Procedural By-law and current best practices. Specifically, this update adds four new open meeting exceptions and clarifies the procedures and motions related to closed meetings.

Bill 68 added four new open meeting exceptions to the Municipal Act. The four new exceptions, as noted in Section 239 (2) of the Municipal Act, are:

(H) information explicitly supplied in confidence to the municipality or local board by Canada, a province or territory or a Crown agency of any of them;

(I) a trade secret or scientific, technical, commercial, financial or labour relations information, supplied in confidence to the municipality or local board, which, if disclosed, could reasonably be expected to prejudice significantly the competitive position or interfere significantly with the contractual or other negotiations of a person, group of persons, or organization;

(J) a trade secret or scientific, technical, commercial or financial information that belongs to the municipality or local board and has monetary value or potential monetary value; and

(K) a position, plan, procedure, criteria or instruction to be applied to any negotiations carried on or to be carried on by or on behalf of the municipality or local board.

The Closed Meeting Protocol, included as ATT-1, reflects the above noted changes.

CORPORATE POLICY AND PROCEDURE

POLICY	Closed Meeting Protocol
CATEGORY	Corporate
AUTHORITY	City Clerk's Office
APPROVED BY	City Clerk
EFFECTIVE DATE	July 25, 2011
REVISION DATE	June 29, 2018

1. Policy Statement

The City of Guelph acknowledges that all meetings of Council/Committee shall be open to the public except as related to the exceptions included in Section 239 (2) and (3) of the Municipal Act.

2. Purpose

The purpose of this policy is to ensure compliance with Section 239 (2) and (3) of the Municipal Act as well as to provide guidance to City Council and City staff as it relates to Closed Meetings.

3. Definitions

"Closed Meeting" means a meeting of Council/Committee that is closed to the public pursuant to Section 239 of the Municipal Act.

"Open Meeting" means a meeting of Council/Committee that is open to the public.

"Weekly Information Items" means the weekly distribution of information items posted to Guelph.ca.

4. Should the Meeting be Closed?

In the interest of accountability and transparency Guelph City Council endeavours to conduct its decision making in public. It is recognized, however, that there are items which should be considered by Council in a Closed Meeting in accordance with the Municipal Act. When determining whether a matter should be considered in a Closed Meeting staff should consider the following:

1. Does the matter meet one or more of the open meeting exceptions noted in Section 239 the Municipal Act?

2. If so, and recognizing that the matter can be discussed in a Closed Meeting, is there a compelling reason that it should be?

The determination of whether a matter should be dealt with in a Closed Meeting is the responsibility of the relevant Deputy CAO in consultation with the Chair, the City Clerk, and the City Solicitor.

6. Statutory Requirements for Closed Meetings

Pursuant to Section 239 of the Municipal Act:

- Before holding a Closed Meeting, Council must state, by resolution, the fact of the holding of the Closed Meeting and the general nature of the matter to be considered at the Closed Meeting.
- All resolutions, decisions, and other proceedings at Closed Meetings are to be recorded without note or comment by the Clerk or designate.
- Any person can request an investigation of whether the City has complied with the Municipal Act regarding Closed Meetings.
 - The Local Authority Services has been appointed by the City to investigate any such complaints.
 - All investigation reports are to be made available to the public.

7. Access Requests for Closed Meeting Reports and Materials

Reports and materials prepared for consideration at Closed Meetings are records that may be subject to Freedom of Information requests under the MFIPPA. While it would be desirable to protect the confidentiality of records that are considered at Closed Meetings, in the event of an appeal, the City could be ordered to release such records.

The City cannot refuse to disclose information provided in a Closed Meeting report simply on the basis that it was considered at a Closed Meeting. To qualify for exemption from disclosure, the information in the records has to reveal the actual substance of Council's deliberations. Content that would not reveal the substance of the deliberations may be subject to disclosure. Examples of records that may be subject to disclosure are:

- background or historical information;
- attachments;
- copies of correspondence and cover letters;
- scope, definition and purpose of report;
- recommendations;
- presentations; and
- statistical data.

Written material included in a Closed Meeting report should be limited to only information which would qualify for discussion at a Closed Meeting. If general context is required to frame the Closed Meeting discussion, it is recommended that it also be disclosed publically by way of one of the recommended approaches identified in Section 8 below.

8. Closed Meeting Reports and Recommendations

8.1. Reports

Whenever possible, written Closed Meeting reports are preferred over verbal reports as the former provides for a more detailed account of the confidential record. Written reports also ensure that Council/Committee is prepared for any decisions they may need to consider in relation to a Closed Meeting discussion. It is also important to ensure that information which can be made available to the public is disclosed appropriately. Aside from a singular report appearing on a Closed Meeting agenda, consideration shall also be given to the following:

Option A: A companion report to appear on the accompanying Open Meeting agenda which provides for as much general context in relation to the Closed Meeting matter as possible without disclosing confidential details; or,

Option B: A recommendation for Council/Committee to direct staff to prepare a related report to be included as part of a subsequent Open Meeting agenda or Weekly Information Items package.

8.2. Recommendations

In a Closed Meeting, Council/Committee is only permitted to vote on procedural motions or to direct City officers, agents or employees. No other decisions or approvals are permitted in a Closed Meeting. Some items conform to this requirement and may be discussed and voted on in Closed Meetings. Many items, however, may be discussed in a Closed Meeting but cannot be voted on in a Closed Meeting. The following are best practices with respect to the consideration of an Open Meeting motion related to a matter discussed by Council/Committee in a Closed Meeting:

Option A: If a companion report appears on the accompanying Open Meeting agenda, a procedural motion can appear as part of a recommendation within a closed staff report to allow for the consideration of a related motion in an Open Meeting. In this case, the following clause should be added to the closed staff report prior to the motion which is to be voted on in an Open Meeting:

That <Council or Committee> rise, report and introduce the following motion as part of the Open Meeting report entitled <title of report> appearing on the <meeting date> Council <or> Committee agenda:

1. That <staff recommendation>.

Option B: If there is no companion report appearing on the accompanying Open Meeting agenda, but the matter requires a resolution of Council/Committee at an Open Meeting, a procedural motion can appear as part of a recommendation within a closed staff report to allow for the consideration of a related motion in an Open Meeting. In this case, the following clause should be added to the closed staff report prior to the motion which is to be voted on in an Open Meeting:

That <Council or Committee> rise, report and introduce the following motion as a Special Resolution at its <meeting date> meeting:

1. That <staff recommendation>.

In order to ensure that there is appropriate context for the introduction of a motion as a Special Resolution, the Mayor, a Member of Council, or City staff should consider presenting background information prior to Council's consideration of the motion.

Option C: If there is no companion report appearing on the accompanying Open Meeting agenda, and the recommendation does not require immediate action, direction can be given to staff to report back to a subsequent Open Meeting by way of a staff report. The following direction can appear as part of a recommendation within a closed staff report and be passed in a Closed Meeting:

1. That staff be directed to report back to the <date of report back> <Council or Committee> meeting in relation to the report titled <title of report> and dated <date of report>.

9. Public Disclosure

Pursuant to the Code of Conduct for Members of Council and Local Board, Members of Council shall not disclose or release information considered in a Closed Meeting. This is a standard practice established to protect the interests of both Council and the municipality. However, if Council deems it desirable and appropriate that such information is released, Council may vote on a motion in a Closed Meeting to direct staff to make public all or part of a closed staff report. The following direction can be voted on in a Closed Meeting in order to disclose a Closed Meeting item:

1. That staff be directed to manage and coordinate the appropriate disclosure of information as it pertains to the <date of report> closed report entitled <title of report>.

The proposed communications strategy in relation to a Closed Meeting matter may be summarized in the staff report. Included in the communications strategy should be an explanation of the details/decisions that are being subsequently disclosed to the public, if any. Sharing the proposed communications strategy in advance will provide Council with the assurance that the public disclosure with respect to confidential matters will be managed appropriately and, with the support of Council, lead to a coordinated communication approach.

Although the information contained in closed staff reports may not be disclosed, the Municipal Act requires that public notice of Closed Meetings be provided for in a Procedural By-law. The City's Procedural By-law requires that there be public notice of all Open and Closed Meetings and that the agenda, including all items to be dealt with at each meeting, be publicly posted and made available prior to the meeting.

Section 239 (7) of the Municipal Act states that the municipality:

"...shall record without note of comment all resolutions, decisions and other proceedings at a meeting..."

In order to be accountable and transparent, and to inform the public about the matters dealt with in a Closed Meeting, Council/Committees shall begin all meetings in open session and pass a motion to move into a Closed Meeting. Once the matters in the Closed Meeting have been dealt with, Council/Committee shall reconvene in open session to disclose, in a general manner, how the agenda items were dealt with in the Closed Meeting. A sample Chair's script is included as Appendix A.

10. Addition of a Closed Meeting Item not on the Agenda

There are exceptional circumstances where items which appear on an Open Meeting agenda but not on a related Closed Meeting agenda must be discussed in a Closed Meeting. This typically occurs when the discussion regarding an Open Meeting item cannot be continued without disclosing confidential information. In this circumstance the following motion can be voted on in an Open Meeting in order for Council to convene a Closed Meeting:

-
1. That the Council of the City of Guelph now hold a meeting that is closed to the public pursuant to Section 239 <relevant subsection> of the Municipal Act to discuss <topic, subject area or report title>.

11. Attendance at a Closed Meeting

Unless otherwise directed by Council/Committee, attendance at Closed Meetings is limited to the Chief Administrative Officer, Executive Team, Clerk and/or their designate, and other staff at the discretion of the Executive Team. Staff are to remain outside the Closed Meeting room until called to speak to their specific agenda item. Staff should vacate the meeting once that matter has been dealt with by Council/Committee.

12. Closed Meeting Prelude

In order to remind the Members of Council/Committee of their obligations in Closed Meetings, the Chair shall read a script, included as Appendix B, detailing the Closed Meeting rules at the beginning of each Closed Meeting.

Appendix A
Chair's Script when Reporting from a Closed Meeting to an Open Meeting

In the continuing interest of transparency, I will be reporting at this open meeting the outcomes from today's closed meeting.

- (j) a trade secret or scientific, technical, commercial or financial information that belongs to the municipality or local board and has monetary value or potential monetary value; or
- (k) a position, plan, procedure, criteria or instruction to be applied to any negotiations carried on or to be carried on by or on behalf of the municipality or local board.

Only those matters pertaining to the sections of the Municipal Act already mentioned may be discussed. CITY CLERK'S OFFICE

To Municipal Clerk,

The Ontario SPCA is launching the **2018 No Hot Pets campaign on June 21st** with the goal to educate the public on the dangers of leaving pets unattended in vehicles during the summer months and we are requesting your municipality's support.

"I left the window down for **him**" **"I was**n't going to be **gone** long" We've heard it all! The issue of owners leaving their pets in their vehicles during the hot summer months, putting animals' safety at risk and even causing death, is a serious and ongoing problem across Ontario. There is **NO** excuse for leaving a pet unattended in a vehicle!

The Ontario SPCA has less than 75 officers on the road, to patrol the whole province. Due to our limited resources, we simply cannot respond to every single call and rely heavily on police and animal control to help respond to the 1000+ calls we receive every summer about dogs in cars. When we don't have an officer nearby or the call comes in after hours, it is dispatched to the local police in that area. If municipalities have an Animals in Vehicles by-law in place, their animal control officers can step in when the Ontario SPCA or police are not available to educate or lay charges under the by-law and potentially save a life.

Below is an excellent example of a by-law we are respectfully asking you to bring forth to your City Council to have passed. This would make a HUGE difference in the lives of pets in your community.

Animals in Vehicles

- 1.(1) No person shall leave an animal unattended in a motor vehicle unless: (230-14)
 - a) The animal is restrained in a manner that prevents contact between the animal and any member of the public; and
 - b) The animal has suitable ventilation.
- 2) Notwithstanding subsection 1.(1) of this By-law, no person shall leave an animal unattended in a motor vehicle if the weather conditions are not suitable for the animal to remain free from distress or injury.
- 3) Notwithstanding subsection 1.(1) of this By-law, no person shall transport an animal outside the passenger compartment of any motor vehicle unless the animal is contained in a kennel or similar device that provides adequate ventilation, adequate space, protects the animal from the elements and is securely fastened in such a manner to prevent distress or injury to the animal.

For more information on the No Ho Pets campaign, visit nohotpets.ca.

Please let us know if you can count on your municipality's involvement by emailing **nohotpets@ospca.on.ca**.

Thank you for your support.

Sincerely,

Connie Mallory
