OPEN HOUSE

Zoning By-Law Review

The Township of Guelph/Eramosa has a proposed new Zoning By-law and we want to hear from you!

A Zoning By-law controls how land is used in the community, including:

- What the land can be used for,
- Where buildings can be placed on a lot,
- How many parking spaces are needed, and much more!

What do you think about the proposed changes to land use rules in our community?
